Samurai Selling:

Samurai Selling Chuck Laughlin, 1994-12-15 *Samurai Selling* is a unique guide for the modern salesperson. The code of the ancient Japanese samurai is grounded in service and personal character. *Samurai Selling* shows sales professionals how to apply the code of the samurai so that whether you sell cars, real estate, office products, or personal home products, you have fresh and powerful techniques to win life-long customers. *Samurai Selling* tells stories of the ancient samurai and relates them to today's competitive sales climate. Based on a proven seminar which the authors have taught to thousands of managers and sales professionals, the book is filled with practical tips, examples, and exercises that will hone your selling skills and improve your customer service.

Samurai Selling Chuck Laughlin, Karen Sage, Marc Bockmon, 1993. A guide to using the techniques of the ancient samurai to get ahead in sales shows how sales representatives in cars, real estate, office products, or personal home products can benefit from ancient methods.

Samurai Sales Jason Griffiths, 2014-05-08. Jin arrives in the land of opportunity, learning to master the art of sales while reflecting on martial arts philosophies of his youth. Join the founder of Europe's largest sales consulting agency, the European Health and Sports Community Association, as he shares proven strategies on understanding and becoming the better salesperson. Learn how to master key steps in the sales process, bring an intimate personal touch to selling, and avoid the mistakes that prevent big sales. And do so while enjoying Jin's tale based on the experiences of the author while he travelled over a period of thirteen years throughout Europe to become an authority on the subject, as it takes on hilarious proportions, sometimes satirical, sometimes empirical, but always with an eye toward learning how to sell intuitively and instinctively. When not doing charity work for Cystic Fibrosis or the HERO projects in Alabama, Jason leads an authentically transparent life designed to inspire transformation in others. A native of North Vancouver, British Columbia, CEO of MG Holdings and Canadian British citizen, Jason Griffiths has set the sales foundations for several multi-billion dollar companies. After attending Red Deer College and the University of British Columbia, he moved to Europe to help tens of thousands of individuals world-wide learn how to sell professionally. Those teachings are available here in *Samurai Sales*. There are a lot of books out there that teach sales in a mundane, dry, step-by-step method. However, as human beings, we learn from story-telling, and so it is that I wrote the story of blackbelt salesmanship.
