

THE RED COMMISSAR JAROSLAV HAŠEK

INCLUDING FURTHER ADVENTURES OF
THE GOOD SOLDIER ŠVEJK
AND OTHER STORIES

TRANSLATED BY CECIL PARROTT

Red Commissar

Борис Горбачевский

Red Commissar:

The Red Commissar Jaroslav Hasek, 2015-07-30 Jaroslav Hasek is best known for his satirical masterpiece *The Good Soldier Svejk* That has been described as Perhaps the funniest novel ever written Although his life was short and chaotic Hasek did however write more as this volume tellingly reveals In his preface Cecil Parrott translator and biographer of Hasek crisply defines its purpose All the world has heard of Svejk but few are familiar with the countless other characters Hasek created in his stories and sketches which together with his feuilletons and articles are thought to number some twelve hundred The best of these deserve to be made available to the Western public and are included in this volume The range is wide There is a selection from his Bugulma stories Hasek as Bolshevik and Red Commissar some early Svejk stories reminiscences of Hasek s apprenticeship days and the hilariously funny speeches made by Hasek when promoting his political Party of Moderate Progress within the bounds of the Law **The Red Commissar** Jaroslav Hasek, 1983-04-01

The Red Commissar...stories Jaroslav Hašek, 1981 Red Commanders Roger R. Reese, 2005 One of the largest and most feared military forces in the world the Red Army was a key player in advancing the cause of Soviet socialism Rising out of revolutionary era citizen militias it aspired to the greatness needed to confront its Cold War adversaries but was woefully unprepared to change with the times In this first comprehensive study of the Soviet officer corps Roger Reese traces the history of the Red Army from Civil War triumph through near decimation in World War II and demoralizing quagmire in Afghanistan to the close scrutiny it came under during Gorbachev s reform era Reese takes readers inside the Red Army to reconstruct the social and institutional dynamics that shaped its leadership and effectiveness over seventy three years He depicts the lives of these officers by revealing their class origins life experiences party loyalty and attitudes toward professionalism He tells how these men were shaped by Russian culture and Soviet politics and how the Communist Party dominated every aspect of their careers but never allowed them the autonomy they needed to cultivate a high level of military effectiveness Despite its struggle to develop and maintain professionalism the officer corps was often hampered by factors inextricably intertwined with the Soviet state Marxist theory revolutionary ideology friction between party and non party members and the influence of the army s political administration organs Reese shows that by rejecting the Western bourgeois model of military professionalism the state greatly limited its officer corps ability to develop a more effective military While a sense of group identity emerged among officers after World War II it quickly lost relevance in the face of postwar challenges especially the war in Afghanistan which underscored fatal flaws in command leadership *Red Commanders* offers new insight into the workings of a military giant and also restores Leon Trotsky to his rightful place in Soviet military history by featuring his ideas on building a new army from the ground up It is an important look behind the scenes at a military establishment that continues to face leadership challenges in Russia today *The Red Commissar* Jaroslav Hašek, 1981-01-01 Through the Maelstrom Борис Горбачевский, 2008 A junior officer in the Red Army provides

one of the richest and most detailed memoirs of life and warfare on the Eastern Front from his combat training in early 1942 until the surrender and occupation of Germany *The Cornhill Magazine* William Makepeace Thackeray, 1919 *The Red Commissar* Jaroslav Hašek, 1981 Jaroslav Hasek is best known for his satirical masterpiece *The Good Soldier Svejk* That has been described as Perhaps the funniest novel ever written Although his life was short and chaotic Hasek did however write more as this volume tellingly reveals In his preface Cecil Parrott translator and biographer of Hasek crisply defines its purpose All the world has heard of Svejk but few are familiar with the countless other characters Hasek created in his stories and sketches which together with his feuilletons and articles are thought to number some twelve hundred The best of these deserve to be made available to the Western public and are included in this volume The range is wide There is a selection from his Bugulma stories Hasek as Bolshevik and Red Commissar some early Svejk stories reminiscences of Hasek's apprenticeship days and the hilariously funny speeches made by Hasek when promoting his political Party of Moderate Progress within the bounds of the Law Field Marshal Von Manstein Marcel Stein, 2007-02 Most military historians are in agreement that Feldmarschall Erich von Manstein was the most outstanding German high commander of the Second World War Many view him as the foremost exponent of large scale mobile operations in any of the Second World War armies Surprisingly no biography of him has yet been written To this day his family refuses to release the papers of his estate to the German military archives at Freiburg Furthermore the contradictions in the personality of von Manstein make it difficult to generate a synthesis On one side there is an extraordinary military talent on the other many political and moral aspects His military achievements stand in sharp contrast to his inhumane policy of occupation in Russia his active participation in the slaughter of Jews in Southern Ukraine and the Crimea and his ambivalent attitude to the military resistance movement These contradictions have led the author to describe Manstein as the Janushead the term chosen for the title of the book He has not written a traditional biography but a portrait A complete account of all phases of Manstein's career is given in one chapter seven more chapters deal extensively with milestones in Manstein's career his successful plan for the battle of France which led to the defeat of the French Army in less than one month his dereliction of duty during the battle for Stalingrad his hubris which led to the disaster of the battle for Kursk his refusal to take part in the military resistance movement his compliance with the Commissar order and his involvement in the Holocaust he author has widened the subject well beyond the personality of its central figure It shows how the Nazi system step by step succeeded in perverting the centuries old traditions of the Prussian and German officer corps The Red Army David M. Cole, 1942 *The Europa Year-book* Michael Farbman, Ramsay Muir, Hugh F. Spender, 1927 Vols for 1926 27 include section A European bibliography Red Love Aleksandra Kollontai, 1927 The Europa Year-book Michael S. Farbman, Ramsay Muir, Hugh F. Spender, 1926 *Journal of the American Asiatic Association*, 1926 *Parliamentary Papers* Great Britain. Parliament. House of Commons, 1919
