Reflection Of Fear:

Reflections of Challenges and Triumphs Lincoln Wallace, 2010-12-23 In his powerful autobiography Reflections of Challenges and Triumphs first time author Lincoln Wallace offers an introspective glance into his life s journey from suffering to triumph Living an emotionally impoverished childhood filled with self abnegation and doubt Lincoln could have gone on a downward spiral Instead paying heed to his own inner voice and holding fast to his dreams he lifted himself out of the toxicity of negative beliefs and erroneous misconceptions about his personhood and his destiny which he ultimately discovered only he could define Latching on to his natural gift for the martial arts Lincoln learned the art of respectful self defense Through seeking and encountering the best part of himself he continuously reaches out as a guide and mentor to his admiring family members and students He especially wants the disenfranchised marginalized youth of our society to understand that they can lift themselves up even if circumstances aren t ideal or they don t have role models to emulate and even if they are told that they are not good enough Such heartless criticisms outright falsehoods were meted upon Lincoln by his mother who berated and downgraded him Nonetheless he pursued and achieved his objective of becoming someone enriching lives in the process I want kids to know that if I did it they can do it too What good is having experiences and gaining knowledge if lessons can t be shared the author observes His story demonstrates that no matter how downcast a heart may be hope inheres in self belief holding one s head high having faith in a brighter dawn and knowing with every breath that such will come
