

Mercy

Once, we were grilling zucchini
from the garden. It was summertime
and I was about to leave you.
A praying mantis landed on the grill.
He was bright and beautiful
even as he fizzled and I burned
all my fingertips trying to save him.
You can't tell when an insect is in pain
but he must have been and you put him
in the grass so softly
where I found and stomped him.
And I think it surprised us
what we each defined as mercy.

Mercy Poems

Judith H. Montgomery

Mercy Poems:

The Mercy Philip Levine, 2000-10-24 Philip Levine's new collection of poems his first since *The Simple Truth* was awarded the Pulitzer Prize is a book of journeys the necessary ones that each of us takes from innocence to experience from youth to age from confusion to clarity from sanity to madness and back again from life to death and occasionally from defeat to triumph The book's mood is best captured in the closing lines of the title poem which takes its name from the ship that brought the poet's mother to America A nine year old girl travels all night by train with one suitcase and an orange She learns that mercy is something you can eat again and again while the juice spills over your chin you can wipe it away with the back of your hands and you can never get enough *Mercy* Judith H. Montgomery, 2019-03 Poetry In *MERCY* Judith Montgomery chronicles the story of caring for her a husband as he endures cancer treatment Though brutal in its technology the medical world Montgomery describes is merciful in its human form peopled by chemotherapy nurses whose expertise is matched by mercy as they lift the plumped sac poisons mixed to pour fire into flesh Anyone who has had even the least brush with cancer will find here an honest and hopeful world where suffering is lightened by the sight of butterflies mutable flames that glide as we refugees from the cancer center and stunned by treatment glide in luxurious light afloat in paradise

Little Mercy Robin Walter, 2025-04-01 In award winning poet Robin Walter's debut collection *Little Mercy* writing and looking seeing feelingly become a practice in radical care These poems pursue moments of shared recognition when looking up to see a deer across a stream or when sunlight passes through wingtip onto palm the self found in other the river in vein of wrist Attuned to the transparent beauty in the natural world Walter's poems are often glancing observations unspooling down the page their delicacies belying their powers of profound knowing The formal logic of this work is the intricate architecture of a nest Each line becomes a blade of grass each dash a little twig each parenthesis a small feather all woven together deliberately seemingly fragile but held fast with surprising strength In their lyric variations repetitions and fragments employed toward a deep attention to wren river and reflection the human almost falls away entirely a steady and steadying state of being that is unconscious expansive Written out of a broken landscape in a broken time *Little Mercy* is a book of gratitude one that draws our inner selves to the present and living world to the ways we can break and mend

Earth, Mercy Mary Rose O'Reilly, 2013-03-04 In her new collection *Earth Mercy* Mary Rose O'Reilly sifts through the debris of human habitation pink thong sandals curlers broken televisions looking for a kind of junkyard grace Holiness enters again turquoise fins and the Cessna's carapace lifts on its wind The first poem *Genesis* locates the reader in Edenic time in that humid and green arrival while the last *Watching the End of the World from Hovland Minnesota* gives nature a final word Morels on goat prairie gloat in their blue light Spruce speaking of green on green Between these points any poem offers a threshold over which something unexpected may pass a ghost an angel or the yap of an insouciant dog alerting us to apocalypse Against all that threatens our survival *Earth Mercy* asserts the beauty of our poignantly sensual life **Mercy**

Lucille Clifton, 2004 American Poets Continuum series In her 12th book of poetry a National Book Award winner speaks to the tenuous relationship between mothers and daughters the debilitating power of cancer and much more **Odd Mercy**

Gerald Stern, 1997-06 A collection of poems features such characters as a New York City street woman Noah St Augustine Walt Whitman and the author himself **At the Mercy** Libby Houston, 1981-01-01 **If Mercy** Frannie Lindsay, 2016

Poetry Frannie Lindsay's elegant fifth collection is simultaneously elegiac and celebratory a tribute to both gone things and the beautiful that remains Her primary subjects are human old and diminished and dying but her expansive vision encompasses the animal and reaches toward the divine says Martha Collins Terrence Hayes adds Here praise is shaped by the fearlessness and fineness that constitute grace Indeed Lindsay's astonishing poetry is synonymous with grace Here is a beautiful book from one of our very best contemporary poets *The Latitude of a Mercy* Stefan Lovasik, 2021-04-21 In his third collection *The Latitude of a Mercy* Stefan Lovasik offers a testament of unflinching immediacy conflicted sensitivity and lyric grace poem after poem wise without presumption pared down to a breed of silent speech the stubborn legacy of what must be said and all that never can Lovasik brings into striking focus the landscape of war the lasting physical moral and psychological consequences of it and the resilience of the human spirit *The Latitude of a Mercy* is a timeless deeply moving and luminous book *Cold Angel of Mercy* Amy Randolph, 2002 Delicate detailed and firm all at once Amy Randolph's poems in *Cold Angel of Mercy* are anything but cold They are loving celebrations of what it means to live on this side of heaven She is an exquisite poet Liz Rosenberg In an age of poems all too easily written and all too frequently published Amy Randolph's poems are those rarest of things works of art filled with tact restraint and deep human feeling seasoned by experience and years Filled with grief and unfolding yet open to all that arrives lonely in its unexpectedness her poems are as vigilant as the regrets she herself observes as heartfelt as that yearning for God she so movingly inhabits and describes Here is a poet who knows all too well that you don't have to go far to be damaged but who also knows the distance one does have to go and the attention that needs to be paid the love given to be redeemed Michael Blumenthal *The Art of Mercy* Robert L. Pencok, 2023-10-15 Robert L. Penick's short masterful poems have been showing up in small press magazines since the early 1990s *The Art of Mercy* his first full length collection contains excerpts from four chapbooks as well as fifty seven new and previously uncollected poems A native of Louisville Kentucky Penick is a true man of the streets chronicling with clear eyed sensitivity the ordinary lives of marginalized people the elderly the forgotten the blue collar workplace the seductions of alcohol and the heartbreak of failed relationships Written in a straightforward narrative style with deft use of metaphor these poems sneak up on you with understated dignity The 100 poems collected in *The Art of Mercy* represent the best of a long quiet career in the poetry trenches In Penick's own words This book took forty years of staring out of windows finding release in booze and borrowed women and scraping away at an indistinct idea of kindness and deliverance the way a would be prison escapee would work on a cement seam hoping someday to see the daylight on the other side of the wall Along the

way I've acquired a good command of cliché less narrative My major accomplishment Stamina **Goodness and Mercy** Elfrida R. Arrindell, 1998-04 **My Testimony of God's Love and Mercy** JUDITH ANN RUSH, 2014-03-12 This book is about the trials and tribulations that I have gone through and survived only by the grace of God They are a testimony of his Love and Mercy These poems will inspire anyone who is struggling in life to look to God because he is the solution to your every problem Your friends will leave you in times of need They will sometimes lead you down the wrong path but God said I will never leave you nor forsake you You can trust him when all else fails and you feel all alone he will stick closer than a brother sister mother father or friend He did it for me and he will do the same for you **Selected Poems** Victor Hugo, 2013-05-13 This generous varied selection of poems by one of France's best loved and most reviled poets is presented with facing originals detailed notes and a lively introduction to the author's life and work Steven Monte presents more than eighty poems in translation and in the original French taken from the earliest poetic publications of the 1820s through collections published during exile to works published in the years following Hugo's death in 1883 The introduction provides helpful background information about Hugo's life and work the selection and what is involved in translating a poet whose effortless rhymes are central to the poetry's power Detailed notes at the back of the volume offer information about the poems and their publishing and historical contexts This is an ideal introduction to a poet whose work for all its renown remains for Anglophone readers undiscovered **Mercy** Kathleen Peirce, 1991 In these poems Peirce attempts to invoke the numinous mystery present in everyday life but her language is vague and etherealized Delicate finely drawn observations of insects flowers and trees too often give way to abstract emotive passages that are more narcissistic than illuminating From their points of adherence to these wide curved tips these pansy blooms seem even in flatness to have arrived by unfolding into all that feeds and harms them Peirce has considerable technical proficiency and a well defined subject matter but for all their formal accomplishments these poems lack texture and resonance As she rightly observes the distance is difficult from the rendered to the true By straining for profundity she allows a righteous solemnity to overwhelm her initial responses to the delight and wonder in the world around her For comprehensive poetry collections Christine Stenstrom New York Law School Library **A Sufi Book of Mercy** Shaykh Abdul Wahid, 2025-11-07 A book of quiet invocations drawn from the heart's secret conversation with the Divine Each poem is a step on the inward journey from forgetting to remembrance from seeking to surrender from the wound to the healing light of mercy The second section Reflections and Practices turns these insights into lived experience It will speak to those drawn to Mindfulness practices the Gurdjieff work known as The Fourth Way and to all who wish to embrace transformative inner work Through exercises in awareness and presence the reader is guided to embody the spirit of the poems to bring mercy into thought speech and daily life Rooted in the wisdom of the Sufi path yet open to all this book offers not doctrine but direction a return to love to compassion and to the light that illuminates every heart *The Facts of Mercy, Poems* Paul James Petrie, 1957 **The Minor Poems of the Vernon Ms**

Horstmann, Frederick James Furnivall, 1901 **Echoes of Grace** Charles Lucas Henson, 2025-06-06 Odd Mercy: Poems
Gerald Stern, 1997-06-17 For over two decades no one has equaled Stern's compassionate surreal parables about the burden
of and the exaltation at being alive Library Journal The centerpiece of Gerald Stern's ninth collection is a long poem titled
Hot Dog named for a beautiful street woman who lives in and around Tompkins Square Park Other characters in this poem
are St Augustine Walt Whitman Noah Gerald Stern himself and a ninety year old black preacher from the Midwest In Hot
Dog and throughout Stern wrestles with the issues hope memory faith that have always occupied him
