Methodical Bible Study:

Methodical Bible Study Robert A. Traina, 2002 This inductive study in a simple practical textbook in hermeneutics compares related Bible texts in order to let the Bible interpret itself **Methodical Bible Study** Robert Angelo Traina, 1952

Inductive Bible Study David R. Bauer, Robert A. Traina, 2011-04-01 Following up Robert Traina's classic Methodical Bible Study this book introduces the practice of inductive Bible study to a new generation of students pastors and church leaders The authors two seasoned educators with over sixty combined years of experience in the classroom offer guidance on adopting an inductive posture and provide step by step instructions on how to do inductive Bible study They engage in conversation with current hermeneutical issues setting forth well grounded principles and processes for biblical interpretation and appropriation The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms *A Pentecostal Hermeneutic for the Twenty First Century* Kenneth

Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture

The Joy of Discovery in Bible Study, in Bible Teaching Oletta Wald, 1956 *Expounding the Gospel and Law of God--Exegesis and Sermonic Development* George J. Gatgounis, 2022-06-03 Exegesis and Sermonic Development The Path from Text to Sermon by the Rev Dr George Gatgounis Esq provides in depth guidance to producing sermons that are true to the biblical text so as to bring nourishment to our failing and feeble Church It's one of the few exegetical works that starts with the spiritual consecration of the preacher since the exegetical process must first begin with communion with the Holy Spirit This work is an encyclopedia of sermonic development **The Meaning of "Make Disciples" in the Broader**

Context of the Gospel of Matthew Lindsay D. Arthur, 2022-05-09 Students of the Bible are generally comfortable with their understanding of the command make disciples Matt 28 19 Indeed most of them would argue that the Gospel writer Matthew spells out very clearly the meaning of the term in the Great Commission Matt 28 16 20 by utilizing three key words viz go ing baptizing and teaching This point of view is the result of centuries of scholarly opinion that has looked primarily if not solely to these three adjacent participles of make disciples Matt 28 19 and not to the entire Gospel of Matthew for the meaning of the command This book does not suggest that going baptizing and teaching are not to be considered in determining the essence of Christian disciple making Rather it contends that the three terms should not be our only source of meaning This

problem is tackled herein by demonstrating that Matthew establishes a framework within the Great Commission itself that points to a fuller meaning of make disciples in the broader context of his Gospel and that the Gospel writer expects his reader to draw on his entire Gospel to grasp the full meaning of this important command Proclamation! Blake J. Neff,2007-07-01

At long last here is a textbook for the basic public speaking course one that integrates a Christian worldview with up to date scholarship in the field of communication Proclamation covers the standard speech types informative speech persuasive speech and ceremonial speech In addition Blake J Neff recognizes that Christians need to know how to deliver an edifying speech and a personal testimony speech Neff acknowledges that one of the reasons to study public address at the university level is that God has commanded His people to always be prepared to give an account 1 Peter 3 15 Proclamation prepares Christians to speak not only as one to many but also as members of interpersonal or small groups Christian teachers of public speaking will appreciate the assistance this book offers toward integrating faith with learning Students will applaud the practical and readable approaches found in Proclamation The Structure of Second Corinthians Kei Hiramatsu,2023-09-07

Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul s discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter *Independent Bible Study* Irving Lester Jensen,1963 Equipping Sunday School Teachers in Methodical Bible Study Olen Darrel Rains,1978 *The Morning Star and Free Baptist* ,1899 *The Christian Advocate* ,1929 **The Illinois Trumpet Call** ,1917 Methods of Church Work Sylvanus Stall,1887 **Personal Bible Study, a How-to** Ruth Sun,1982 *The Integration of Methodical Bible Study and Expository Preaching for Lutheran Pastors who Study Primarily the English Text* Timothy W. Gravelyn,2003 **Evangelical Christendom** ,1887 The Report of the London Missionary Society ... London Missionary Society,1918 **Evangelical Review of Theology** ,1981
