Millions Like Us:

Millions Like Us? Visiting Senior Fellow Department of Psychology Nicky Hayes, 1999-01-01 This collection of essays brings together the latest historical research on cultural production and reception during the Second World War It covers the way in which cultural provision was viewed by the labour movement and industry *British Literature of the Blitz* K. Miller, 2008-12-18 *British Literature of the Blitz* interrogates the patriotic utopian ideal of the People's War by analyzing conflicted representations of class and gender in literature and film Its subtitle *Fighting the People's War* describes how British citizens both united to fight Nazi Germany and questioned the nationalist ideology binding them together

Blackout Antonia Caroline Lant, 2014-07-14 The most universal civilian privation in World War II Britain the blackout possessed many symbolic meanings Among its complicated implications for filmmakers was a stigmatization of film spectacle including the display of Hollywood women whose extravagant appearance connoted at best unpatriotic wastefulness and at worst collaboration with the enemy Exploring the wartime breakdown of conventional gender roles on the screen and in the audience Antonia Lant demonstrates that many British films of the period signaled their national cinematic identity by diverging from the notion of the Hollywood star the mainstay of commercial American motion pictures replacing her with a deglamourized mobilized heroine Nevertheless the war machine demanded that British films continue to celebrate stable and reassuring gender roles Contradictions abounded both within film narratives and between narrative and real life Analyzing films of all the major wartime studios the author scrutinizes the efforts of realist and melodramatic texts to confront women's wartime experiences including conscription By combining study of contemporary posters advertisements propaganda notices and cartoons with consideration of recent feminist theoretical work on the cinema spectatorship and history she has produced the first book to examine the relationships among gender cinema and nationality as they are affected by the stresses of war Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Working Stiffs, Union Maids, Reds, and Riffraff** Tom Zaniello, 2018-05-31 The revised and expanded edition of *Working Stiffs Union Maids Reds and Riffraff* offers 350 titles compared to the original edition's 150 The new book is global in scope with examples of labor films from around the world Viewers can turn to this comprehensive annotated guide for films about unions or labor organizations labor history working class life where an economic factor is significant political movements if they are tied closely to organized labor production or the struggle between labor and capital from a top down either entrepreneurial or managerial perspective Each entry includes a critical commentary production data cast list MPAA rating if any suggested related films

annotated references to books and websites for further reading and information about availability of films for rental and or purchase This edition addresses both historical and contemporary films and features many more documentaries and hard to find information about agitprop and union financed films Working Stiffs Union Maids Reds and Riffraff An Expanded Guide to Films about Labor features fifty eight production stills and frame enlargements It also includes a greatly expanded Thematic Index of Films Two new sections will help the reader discover labor films in chronological order or by nationality or affiliation with certain cinematic movements To read Tom Zaniello s blog on the cinema of labor and globalization featuring even more reviews visit <http://tzaniello.wordpress.com> Praise for the earlier edition Zaniello has created a useful and far reaching guide with abundant information These are the sorts of films that prove what James Agee wrote in these pages nearly fifty years ago The only movies whose temper could possibly be described as heroic or tragic or both have been made by leftists The Nation Zaniello has done a monumental job identifying the films that should be included in this genre Working Stiffs Union Maids Reds and Riffraff is sorely needed and long overdue Cineaste An engaging and opinionated book Even though mining trucking Jimmy Hoffa and class warfare are the book s major themes what holds the project together is Zaniello s sense of fun and wit Zaniello is a better writer than most major film critics Village Voice Literary Supplement *Mobilizing Music in Wartime British Film* Heather Wiebe, Teaching Professor in Music and Liberal Studies Heather Wiebe, 2024-10-11 *Mobilizing Music in Wartime British Film* examines the preoccupation with art music and total war that animated British films of the 1940s Home Mission Monthly ,1908 *The Theosophic Messenger* ,1909 **Newer Roosevelt messages: speeches, letters and magazine articles dealing with the war, before and after, and other vital topics** Theodore Roosevelt, 1919 **Preacher and Homiletic Monthly** ,1886 **Americans All** Benjamin Alexander Heydrick, 1920 **Editor & Publisher** ,1943 Special features such as syndicate directories yearbook numbers annual newspaper lineage tabulations etc appear as separately paged sections of regular issues **Jacob Schuyler's Millions** Thomas Dunn English, 1886 Realities Daniel C.
