Wright William Shakespeare,1879 *The Mind Readers* Lori Brighton,2013-09-11 Cameron Winters is a freak Fortunately no one but her family knows the truth that Cameron can read minds For years Cameron has hidden behind a facade of normalcy warned that there are those who would do her harm When gorgeous and mysterious Lewis Douglas arrives he destroys everything Cameron has ever believed and tempts her with

possibilities of freedom Determined to embrace her hidden talents Cameron heads to a secret haven with Lewis a place where she meets others like her Mind Readers But as Cameron soon finds out some things are too good to be true When the Mind Readers realize the extent of Cameron s abilities they want to use her powers for their own needs Cameron suddenly finds herself involved in a war in which her idea of what is right and wrong is greatly tested In the end she ll be forced to make a choice that will not only threaten her relationship with Lewis but her very life This young adult book is best for ages 14 and over Book 1 The Mind Readers Book 2 The Mind Thieves Book 3 The Mind Games Love and Loss Betty Hibod,2025-10-06 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person s life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone s visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions *Julius Caesar* William Shakespeare,1887 Shakespeare's Julius Caesar William Shakespeare,1879 What Every Man and Woman Should Know about the Bible ...
