Behind the Iron Curtain, a group of former Starnik agents want to use the British spy in an operation that will change the balance of world power. Bond is smuggled into the lion's den - but whose orders is he following and will he obey them when the moment of truth arrives?

In a mission where treachery is all around and one false move means death, Bond must grapple with the darkest questions about himself. But not even he knows what has happened to the man he used to be.
