You can use an empty paper and pencil during the exam. Once you do the registration in the system, you need to show your camera around for the surroundings; please, ensure you already have them on the table.

Please note that the test will close on a given day at 23:59 (Hungarian time). You must start the test at 22:29 (Hungarian time) **AT THE LATEST** in order to have the full 90 minutes. In case you start, e.g. 23:00 (Hungarian time), you will only have 59 minutes to finish.

There is no possibility of restarting or retaking the test.

In case you are not attending the test or the result is below 50,01%, your application must be rejected.

In case you can prove that a technical issue has occurred for reasons beyond your control, based on individual assessment, you can be granted another opportunity to complete the test with the same settings.
