## Recasting The Past:

Recasting the Past: The Art of Chinese Bronzes, 1100-1900 Pengliang Lu, 2025-02-28 Bronze vessels were the ultimate emblems of power in ancient China Beginning in the twelfth century the rediscovery of ancient bronzes as evidence of an earlier golden age led to a revival of bronze casting This publication is the first comprehensive study of these later Chinese bronzes in archaic styles which were commissioned by emperors and officials from the twelfth through the nineteenth centuries to assert political legitimacy and alignment with traditional values Redressing the misconception that these works were mere imitations of the ancient vessels they emulated Recasting the Past demonstrates that they were in fact creative reinterpretations of antique shapes and decorative motifs that were fundamentally new creations with their own aesthetic and functional character Featuring nearly two hundred objects many never before published including ceremonial bells incense burners flower vases ritual vessels and writing utensils Pengliang Lu explores their cultural and political significance from the Song dynasty through the Qing dynasty and shows their enormous influence on Chinese art and culture **The Ladies' Lexicon, and Parlour Companion** William Grimshaw, 1829 *The Gentleman's Lexicon; Or, A Pocket Dictionary, Containing Nearly Every Word in the English Language* William Grimshaw, 1835 Sexuality, Generation and the Self Arlene J. Stein, 1993 Forgiveness and Abuse: Jewish and Christian Reflections Marie M. Fortune, Joretta L. Marshall, 2002 Forgive and forget Under normal circumstances it is difficult enough but for victims of domestic or sexual abuse it is exponentially harder Can you forgive the unforgivable Using research studies stories and prayer Forgiveness and Abuse Jewish and Christian Reflections focuses on forgiveness and reconciliation by abuse victims Several religious authors discuss their own views and opinions as well as share the wisdom of their traditional religious teachings With the events of recent years weighing heavily on society's shoulders this collection is vital reading for clergy counselors therapists and the abuse survivors themselves **Why Iris Murdoch Matters** Gary Browning, 2018-08-23 In *Why Iris Murdoch Matters* Gary Browning draws on as yet unpublished archival material to present an unrivalled overview of Murdoch's work and thought Browning argues for Murdoch's position amongst the key theorists of modern life and discusses in detail her engagement with the notion of late modernity Her multiple perspectives on art philosophy religion politics and the self all relate to how she understands the nature of late modernity Browning lucidly illustrates that through both her thought and fiction we can grasp the significance of issues that remain of paramount importance today the possibilities of a moral life without foundations the meaning of philosophy in a post metaphysical age the prospects of politics without ideological certainties and the significance of art after realism A totally original work arguing persuasively that Iris Murdoch not only matters but is absolutely central to how we think through the contemporary age The Marshall Court and Cultural Change, 1815-35 G. Edward White, Gerald Gunther, 1988 *The Marshall Court and Cultural Change 1815-1835* comprises the third and fourth volumes of the *Oliver Wendell Holmes Devise History of the Supreme Court of the United States* G. Edward White completes

the series coverage of the Marshall Court tracing the last two decades of John Marshall's term as Chief Justice White describes the intellectual climate of the Marshall Court's work and analyzes the Court's decisions Throughout White stresses that the Marshall Court despite its much celebrated influence must be seen as part of a unique cultural period when the heritage of the Revolution confronted the radical political demographic and intellectual changes of the nineteenth century The Marshall Court itself was also unique and unlike the modern Court in that it used an informal set of deliberative procedures that gave the justices personal predilections more influence in the court's rulings than at any other time in Supreme Court history

**Life, Times and Work of William Gillies, 1898-1973** Andrew McPherson, 2024-11-30 For seventy years William Gillies has been seen as a placid painter of landscape and decorative still life Andrew McPherson explodes this view to reveal a modernist whose response to the instabilities and violence of modernity touched universals of human experience Gillies' idiom was shaped by institutions for artistic production unique to Scotland But it was the politics of Scotland's connections to the rest of the British Isles that produced his mythic and misleading reputation New paintings and new meanings are uncovered placing the micro effects of modernity on mental health family and community in the wider contexts of war nationalism and public patronage McPherson also shows how this changing world led Gillies towards new applications of modernist expression Lavishly illustrated and referencing almost one thousand works this major reappraisal is an indispensable source on the cultural politics of a four nation state and the reception of modernism in Britain

**Recasting the World** Jonathan White, 1993 In *Recasting the World* Jonathan White brings together a distinguished group of contributors to examine aspects of postcolonial literatures in English from around the world

**Science and the Paranormal** George Ogden Abell, Barry Singer, 1983

*The Fiction of Imperialism* Phillip Darby, 1998 *The Fiction of Imperialism* attempts to promote dialogue between international relations and postcolonialism It addresses the value of fiction to an understanding of the imperial relationship between the West and Asia and Africa A wide range of fiction and criticism is examined as it pertains to colonialism in North South engagement and contemporary Third World politics
