*Short stories book From a Forgotten Notebook* Shiv Bhowmik, 2025-08-27 From a Forgotten Notebook What the Closet Couldn't Keep Quiet In a quiet corner of a closet beneath old clothes and untouched boxes lay a forgotten notebook one that remembered everything the voice had silenced From the still ache of unrequited love to the nostalgia of rain soaked childhoods From a Forgotten Notebook gathers 50 emotionally charged short stories that pulse with honesty longing and resilience Written in fragments and revelations Shiv Bhowmik doesn't just tell stories he invites you into the raw human moments we often carry alone Every piece in this collection is a soft confession an unwritten letter or a page that waited patiently to be heard These aren't just stories They're pieces of a heart that finally had space to speak If you've ever left a feeling unsaid this book may sound like it was written just for you

*Changing Your Spots* Terry Wilson, 1998 Leopards we're told can't do it But there's no reason why you shouldn't Few of us can escape change and the consequences of change Sometimes we welcome it but all too often we feel threatened How we react is largely a question of whether or not we feel we can control it This book is designed to help people to deal positively with change that others have initiated Perhaps your company has been taken over or you've been made redundant after years of loyal service Perhaps the change is more personal the loss of a loved one the breakup of a relationship Whatever the cause the critical factor is how you respond take control and move forward There are ways of coping and Terry Wilson shows how Step by step he takes you through the process letting go of the past dealing with your feelings seeking support from others and moving on This is no ordinary book on change It is a carefully structured action manual with exercises and self assessments that will enable you to welcome change and achieve personal growth of spot changing proportions

**SCAMMER PAYBACK**, 2025-11-03 The law can't touch them But she can Nadine Singh fought hard for her quiet life in the California suburbs As a former nun with a blood soaked history of vigilante justice she thought she had finally traded her knife for a trowel But silence is a luxury she can't afford when Margaret Chen an elderly widow is left destitute by a ruthless romance scammer The police call it a civil matter buried under untouchable jurisdictions Nadine calls it a target Shedding her retirement Nadine follows the digital trail to the sweltering heat of Accra Ghana There she locates the nerve center of the operation a gleaming fortress like high rise owned by the enigmatic Philip Sorkin To destroy the rot she must enter the beast's belly Posing as a naive wealthy traveler Nadine infiltrates Sorkin's inner circle However the mission quickly escalates beyond simple restitution While hunting for Margaret's savings Nadine uncovers a terrifying truth Sorkin isn't just running a scam farm He is financing a global surveillance algorithm designed to weaponize personal data on a mass scale Suddenly Nadine is miles from home outnumbered by a private army and stung by the betrayal of the one local ally she trusted Trapped in a deadly game of cat and mouse across two continents Sorkin believes he has cornered a helpless woman He doesn't realize he just invited the tiger to dinner
