a lifetime and sometimes we do not know where or when it will begin to show itself The first two quarters of my life had been consumed with a quest for peace happiness but more importantly grace What I didn't realize until most recently is that all three of these were always well within my grasp much closer than I ever realized I was given the same opportunities and I

possessed some of the same qualities as many others that I knew Was I at the top of my class No However I did graduate with honors but I chose to stop my education through books and school at a young age My life experiences after that taught me a great deal however the gnawing inside of me to further my education never left Follow my journey as I attempt to find that grace thats been missing throughout my life hidden among the thorns and thistles that tore at my heart until the time I pursued writing a journal about my experiences All the while I peered through the fogginess eventually revealing the light of Gods grace that he had always granted to me without fail Lisas upbeat approach to life and her appreciation for Gods love is remarkable You will notice that character trait as soon as you meet her However reading her soul in her words is heart warming and touching Donna Melber rural school elementary teacher Christian and Aunt Donna by marriage whom God so richly blessed by bringing her family into my life It is a real joy watching Lisa follow her Lord into life and ministry to see how He is showering her with His Grace I found her book A Year Full of Grace filled with compelling reflections on Gods grace and timing as she looks back upon her life story Enjoy her words and how she draws Gods grace into her story Mike Hays Rimrock Church
