*Relocating Middle Powers* Andrew Fenton Cooper, Richard A. Higgott, Kim Richard Nossal, 1993 The fall of the Berlin Wall and the disintegration of the Soviet Union were only two of the many events that profoundly altered the international political system in the late 1980s and early 1990s In a world no longer dominated by Cold War tensions nation states have had to rethink their international roles and focus on economic rather than military concerns This book examines how two middle powers Australia and Canada are grappling with the difficult process of relocating themselves in the rapidly changing international economy The authors argue that the concept of middle power has continuing relevance in contemporary international relations theory and they present a number of case studies to illustrate the changing nature of middle power behaviour

Relocating Middle Powers Andrew Fenton Cooper, Richard A. Higgott, Kim Richard Nossal, 1993 The fall of the Berlin Wall and the disintegration of the Soviet Union were only two of the many events that profoundly altered the international political system in the late 1980s and early 1990s In a world no longer dominated by Cold War tensions nation states had to rethink their international roles and focus more on economic rather than military concerns This book examines how two middle powers Australia and Canada engaged in the difficult process of relocating themselves in the rapidly changing international political economy The authors argue that the concept of middle power has continuing relevance in contemporary international relations theory and they present a number of case studies to illustrate the changing nature of middle power behaviour In particular they examine the trend towards the amalgamation of the foreign and trade ministries in both Canada and Australia and the growing importance of regional trading blocs particularly Asia Pacific Economic Cooperation and the North American Free Trade Agreement Australian and Canadian roles in the Gulf War are also scrutinized showing how these middle powers found themselves caught up in the coalition building dynamic that transformed Desert Shield into Desert Storm *Relocating Middle Powers* is the first book to explore the similar ties and differences in the foreign policies of two middle powers in a new era of international relations Focusing on the ability of middle powers to exercise technical and entrepreneurial leadership on a range of international issues this book shows how and why middle powers will continue to be important international actors in the 1990s and beyond

Relocating Middle Powers Andrew F. Cooper, Richard A. Higgott, Kim R. Nossal, 2007-10-01 The fall of the Berlin Wall and the disintegration of the Soviet Union were only two of the many events that profoundly altered the international political system in the late 1980s and early 1990s In a world no longer dominated by Cold War tensions nation states have had to rethink their international roles and focus on economic rather than military concerns This book examines how two middle powers Australia and Canada are grappling with the difficult process of relocating themselves in the rapidly changing international economy The authors argue that the concept of middle power has continuing relevance in contemporary international relations theory and they present a number of case studies to illustrate the changing nature of middle power behaviour In particular they examine the trend towards the

amalgamation of the foreign and trade ministries in both Canada and Australia and the growing importance of regional trading blocs particularly Asia Pacific Economic Cooperation and the North American Free Trade Agreement Relocating Middle Powers is the first book to explore the similarities and differences in the foreign policies of two middle powers in a new era of international relations Niche Diplomacy Andrew F. Cooper, 2016-07-27 An examination of the nature of middle power diplomacy in the post Cold War era As the rigid hierarchy of the bipolar era wanes the potential ability of middle powers to open segmented niches opens up This volume indicates the form and scope of this niche building diplomatic activity from a bottom up perspective to provide an alternative to the dominant apex dominated image in international relations *Middle Powers in the New World Order* Geoffrey Hayes, 1994 **The Puzzles of Power** David H. Laycock, Michael Howlett, 1998 This new second edition is intended to aid students in their study and appreciation of political scientists efforts to solve the analytical puzzles of political life The book provides a section by section overview of the main subfields of political science and includes an introduction plus two articles that exemplify each area of study
