Simple Treasures in Bulgaria Martin Miller-Yianni, 2008-10 Bulgaria is one of the least known countries in Europe Tucked away in the southeast corner of Europe it has been hiding many treasures away unbeknown to many outsiders Most if not all travel books about Bulgaria cover well trodden tourist resorts and understandingly ignoring lesser known parts of Bulgaria These fortunate neglected areas where tourism hasn't affected remain in my and many others opinion the most treasured parts of Bulgaria The writing contains a variety of titles ranging from an epitaph of a simple Bulgarian village farmer to a traditional Bulgarian recipe with a local twist articles giving humorous moments to more serious issues that Bulgarians have to contend with It is seen with a clear view of how Bulgarians live and work both in towns and villages remaining firmly family and community bound **The Treasure of the Word** Isidore Okwudili Igwegbe, 2016-06-22 Readers of the Bible know events on the Catholic Church's liturgy have scriptural passages referring to them Many however are only familiar with a few One might be surprised at how many more are there for the reading The Treasure of the Word Commentary on Biblical Readings for Sundays Feast Days and Solemnities Cycle B is a life related meditation on the sacred texts within events of the Catholic Church's liturgical calendar Author Isidore Okwudili Igwegbe's work is intended for everyone from the layperson to church leader to those in the clergy Beginning with Advent each insight is based on his experiences teaching leading and breaking the Word of God with mixed Christian congregations in different countries and continents Each chapter begins with the date and event followed by a list of scriptural references Igwegbe's text satisfies human yearning for the meaning of the

Word It is an exposition of the good news within the good news a prayerful sharing of the great secret human fate is Gods fate and God is an imprudent investor who blesses his capital and his love on every person everywhere and every time This book encourages Christians and all believers to realise they are the centre of Gods attention *Countercultural Gil Rendle, 2023-05-08* After decades of anti institutionalism here is a book that is honest about the importance of congregations and our need for them in our lives Despite our lack of trust in institutions we cannot live without them and still hope to live together in communities let alone a nation For important reasons our neighborhood institutions of religion congregations hold hope not found in other places Politics and the economy have proven themselves gridlocked and incapable of breaking the narratives of fear and scarcity that now divide us However to step up into public space in order to offer what they hold as so important to these divided times leaders of congregations need to understand why they are so countercultural and why being countercultural is an important role to play This is not a time for congregations to try to fit into the culture and to worry about growing their membership and increasing their finances It is not a time to let organizational anxieties determine next steps What is required is courage leaders courageous enough to speak openly with confidence of what they know congregations courageous enough to seek new forms with which to offer the ancient wisdom that people still search for As much as religious institutions are now needed old forms no longer work in a fast and deeply changing culture Instead of trying to improve what is already known this book will provide a way for congregations to thrive and fulfill their purpose by being countercultural
