Simply Unexpected Dennis Burley, 2004-07-01 Travel back in time and relive the life with me from childhood to my early twenties where life was simply unexpected Where the days and nights seemed like they would never end Experience wanting to live a normal life as possible while extreme misfortune and hardships kept interrupting I call them the demons that I will never forget they were put upon me by the closest people to me Come and see how sports changed my life and me focus on a more positive outlook You will see how someone can accomplish so much with so little Just when you think it can't get any worse *Simply Unexpected* will return Part Two

The Choice Chinedu Nnadi, 2025-07-09 Violet always believed in logic over luck A brilliant strategist in business and life she approached love like a calculated risk until she found herself torn between two exceptional men James a successful corporate mind with stability and ambition Ethan a free spirited musician who made her heart race But what began as a methodical comparison spiraled into a dangerous emotional gamble Dating both in secret Violet told herself she was simply being thorough But when passion blurred lines and truth gave way to convenience the facade began to crack A chance encounter exposes her deception shattering the trust of both men and thrusting Violet into the harshest reckoning of all Now with everything unraveling Violet must face a devastating truth love isn't found through elimination it's built through honesty And in trying to avoid choosing the wrong man she may have lost the right to be chosen at all *The Choice* is a gripping soul searching exploration of love betrayal and the cost of indecision One woman Two hearts And a decision that cost her everything
