Man and Woman in Christian Perspective, 1991-01 There is great controversy among Christians today regarding manhood and womanhood in Christian practice and in society Are the roles of men and women interchangeable Are biblical principles relevant to modern times How are they to be applied to church and family This systematic study integrates biblical theology with scientific and sociological insights to provide a stimulating discussion of these important issues The book's clarity and sensitivity enhances its usefulness for all concerned Christians clergy and laity alike *Man and Woman in Christian Perspective* has a strong pastoral concern It deals honourably and critically with all facets of the problem Here is an author whose concern is Truth and whose writing takes the reader through the confusing pluralism of today onto firm ground

Professor James Atkinson *The Bible and Women's Ministry* Alan Nichols, 1990 Does the Bible permit or prohibit the ordination of women Many evangelicals in the Anglican Church of Australia now support it But some remain opposed because certain New Testament texts seem to deny women the right to preach or lead a congregation A conference called by the Evangelical Fellowship in the Anglican Communion Australia brought into dialogue theologians of opposing convictions on the issue This book makes the dialogue public in the interests of aiding the Church in its pursuit of truth

Man & Woman Kaye V. Cook, Lance L. Gender and Ministry in Early Christianity and the Church Today Adolphus Chinedu Amadi-Azuogu, 2007-04-26 In certain Christian religions especially Roman Catholicism there is an undeniable link between the male gender and the exercise of particular ministry roles The Catholic Church has reserved ordination to the priesthood for men only thereby making the female gender incompatible with priesthood The Anglican Church on the other hand creates equal access for both genders by eradicating this line of separation Here we see two churches two biblical interpretations and two approaches to ministry In the light of this apparent contradiction *Gender and Ministry in Early Christianity and the Church Today* examines to what degree Paul and the early church accepted the ministry of women Ultimately the book argues that the presentation of the Christian God as interested in gender and ministry is a standard case of anthropomorphism The overwhelming pieces of evidence examined in this work do not support any sexist approach to

ministry rather the book concludes that women should not be excluded from any aspect of the ministry of the Christian church
