**Perfect Wives, Other Women** Georgina Dopico Black, 2001-02-13 Close readings of canonical Spanish Golden Age and Latin American colonial texts drawing heavily on the findings and strategies of psychoanalytic criticism gender studies and Marxism and offering an understanding of a repressed Exploration of the Valley of the Amazon William Lewis Herndon, Lardner Gibbon, 1854

**Writing Terror on the Bodies of Women** Sarah England, 2018-08-15 Writing Terror on the Bodies of Women Media Coverage of Violence against Women in Guatemala analyzes the scope and dynamics of violence against women in Guatemala and how it is represented in the print media Using nearly two thousand Guatemalan newspaper reports covering murders and assaults on women this book contextualizes violence against women within the history of violence in Guatemala gender ideologies and patriarchal social structures and the contemporary demands of the women's movement for social and legislative change It shows that while some newspapers cover violence against women with investigative reports and editorials that use feminist analysis and language these are overshadowed by the large number of individual reports that reproduce narratives of terror and conceal the gendered nature of violence against women by suggesting that delinquents gangs unknown men and inexplicably violent husbands are the main culprits while simultaneously upholding dichotomous gendered narratives of good and bad wives and daughters
