## Man And Land:

**No Man's Land** Elizabeth D. Samet, 2014-11-04 An exploration of one of the crucial problems of our time how soldiers return home from war by a professor of literature at West Point

**No Man's Land** Sandra M. Gilbert, Susan Gubar, 1991-01-23 V 1 the war of the words V 2 sexchanges

**No Man's Land** Pete Ayrton, 2014-09-15 The Great War gave birth to some of the twentieth century's most celebrated writing from D H Lawrence to Siegfried Sassoon the literature generated by the war is etched into collective memory But it is in fiction that we find some of the most profound insights into the war's individual and communal tragedies the horror of life in the trenches and the grand farce of the first industrial war Featuring forty seven writers from twenty different nations representing all the main participants in the conflict No Man's Land is a truly international anthology of World War I fiction Work by Siegfried Sassoon Erich Maria Remarque Willa Cather William Faulkner and Rose Macaulay sits alongside forgotten masterpieces such as Stratis Myrivilis's *Life in the Tomb* Raymond Escholier's *Mahmadou Fofana* and Mary Borden's *The Forbidden Zone* No Man's Land is a brilliant memorial to the twentieth century's most cataclysmic event

**No Man's Land** Paul Swift, 2002 Set on Tyneside during the World War I this moving play sets up dramatic conflicts of issue and personality Women fight for the right to work and to vote and men fight in and in opposition to the war to end all wars It involves a cast of 17 plus extras

*Batman: No Man's Land #1* Bob Gale, No Man's Land part 1 After the events of *Cataclysm* the government has declared Gotham City a No Man's Land They've evacuated and sealed off access to the city but some people still remain and fight to survive on the lawless streets Continued in *BATMAN SHADOW OF THE BAT* 83

**Native Sons in No Man's Land** Philip Auger, 2000 With the study of selected novels by Baldwin Walker Wideman and Gaines *Native Sons in No Man's Land* examines the discursive politics involved in the rewriting of such powerless inarticulate versions of black manhood as that codified by Richard Wright in *Native Sons* Bigger Thomas The novels treated in this study present their writers sharing a desire to transcend the language barriers that control mainstream definitions of Black manhood A close critical reading of these texts reveals a great deal about the American and specifically Afro American aspiration to manly identity about the relationship between one's sense of manhood and one's control of discourse and about the power of language to shape identity
