Four - The Number of Immanuel David Elliott,2026-01-14 Secular observance of the Christmas season has become over commercialized and at minimum does not focus properly on the significance of Christ s birth the arrival of Immanuel Sadly even religious observance has at times become stale with too much emphasis given to entertainment which results in artificial joy In general cultural mindset has missed the magnitude of Immanuel s coming both secular and spiritual have overlooked the elegant hope and unfettered joy of the Savior s birth Here we celebrate the Christmas season fittingly by exploring the numbers and their meaning found in the familiar Christmas accounts Matthew 1 2 Luke 1 2 We gain understanding by reviewing the appearance of number four in accounts of the Savior s birth Within this specialized topic we avoid bland secular and trite religious observance of Christmas and instead center on the character of our Lord Jesus Christ By the numbers the birth accounts of Jesus proclaim the most joyful news ever given the Savior has come to earth

Treat,1886 *Biblical Numeric Keys* R. J. Plugge,2016-11-28 God does things by the numbers He knows the number of hairs on your head and the number who will be saved He sets dimensions durations designs definitions and destinations He numbered six 6 days for his work of Creation then he sanctified the seventh for mankind The numeric 7 has ever since been used as the number symbolizing perfect in the eyes of heaven and of those things expressing the actions of God Throughout the scriptures God has communicated through numbers which are both symbolic and literal counts The message in a scriptural text is often as much or even more within the symbolism of the associated numbers as it is within the words or actions depicted The numbers often help explain or even interpret a written text In this book are the most likely symbolic revelations to be associated with forty numbers including 153 666 1290 and 1345 It will help you appreciate the depth of

messages conveyed throughout Gods Word **Your Days Are Numbered** Michael A. Price,2011-04-13 It is hopeful that this present work should be a blessing to those who read it When the writer of this book started taking notes and studying the various numbers in scripture it was his initial desire to know and to understand the God of the Bible in a deeper way This work has been in the making for twenty plus years Yet there still remains an insurmountable amount of evidence which suggests that God s ways are past finding out by the human mind and intellect God is Spirit and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty The subject of numbers in scripture has proven to be a fascinating endeavor but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit Illustrations are continually being discovered It would be irreverent to suppose that this work could be complete for it would assume that the wonders of the Creator as manifested through numbers in scripture could be all discovered May this modest work be to the praise and glory of the One and Only True God
