*The Writing Notebooks* Helene Cixous, Susan Sellers, 2006-08-03 Helene Cixous is among the most influential and original literary critics and feminist thinkers of our time. This volume reproduces for the first time in any language a collection of pages from her original writing notebooks offering a unique insight into her radical thought and work. The material gathered here ranges across the full spectrum of Cixous writing including the concept of *écriture féminine* and the starting points and sources of inspiration for her poetry and prose. The editor's introduction succinctly outlines the central tenets of Cixous' theory of writing. Each extract is accompanied by editorial commentary and a translation both by Susan Sellers. The book concludes with an interview with Cixous herself in which she discusses the writing process, her own criticism of fiction and poetry, and the value and importance of these notebooks. Students and teachers of literature, psychoanalysis, philosophy, and feminist theory will find this an illuminating and inspiring collection of writings. Edited by Susan Sellers, Professor of English and Related Literature at the University of St Andrews. *Paris Notebook Collection* Paris Notebook Paris Notebook Collection, 2017-11-28 The Paris Notebook Collection features a wide variety of Paris art for the covers of our Composition Notebooks to get you in the journaling, doodling, or fantasy writing spirit. Duggan, 2016-11-13 The first standalone in C.J. Duggan's addictive HEART OF THE CITY series, a sassy, sexy romance from the internationally bestselling author of the SUMMER and PARADISE series. You're breaking up with me. He was silent. In Paris, eyes dropping. Under the Eiffel Tower, I screamed. Twenty-five-year-old Claire Shorten had looked forward to spending a romantic weekend in Paris for as long as she could remember, and now it was here: three blissful days of strolling through cobble streets, arm in arm with her beloved, eating copious amounts of baked goods, and soaking up the culture through each and every pore of her body. Well, at least that was how she'd pictured it. Even after her boyfriend dumps her rather unceremoniously in the most romantic place on earth, Claire is determined not to give up on her dream, altogether with or without a boyfriend. She finds herself a job in the kitchen of a small, Michelin-starred restaurant, most certainly is not, but somehow Claire makes a place for herself amidst the dirty dishes and the foreign misfits who run the place. When the restaurant attracts the attention of the enigmatic, if not slightly terrifying tycoon Louis Delarue, and Claire manages to survive his high-powered business luncheon, from hell she knows that she can survive anything, surely. But all bets are off when Louis makes a game-changing decision: he's coming back for a second course. PRAISE FOR C.J. DUGGAN'S HEART OF THE CITY SERIES. Fun and sexy. Cheeky leading lady, dashing love interest, family complications, and a fun setting: this book does have it all. Fictional Thoughts on London Bound. I'm really glad that I've discovered C.J.
