Jacob Needleman

Not I:

I Am Not I Jacob Needleman, 2016-04-19 In this striking meditation on the relationship between the adult self and the inner child Jacob Needleman presents excitingly original positions on age old spiritual and philosophical questions Ken Wilbur Seeking to reconcile the split between our inner child and our adult self eminent philosopher and religious scholar Jacob Needleman evokes the ancient spiritual tradition of a deep dialogue between a guiding wisdom figure and a seeker The elder offers an initiation to a younger self an initiation the author feels is missing from our culture Rendered as a stage play the conversation between the 80 year old author and his younger selves unfolds and an ambiguity emerges as to whether this is strictly the author s internal dialogue or whether the younger self may be nurturing a rebirth of the author On one level I Am Not I brings younger readers teenagers and young adults face to face with powerful spiritual and philosophical ideas But as the book progresses the dialogue delves into questions and insights that carry astonishing new hope and vision for every man and woman challenging our culture s accepted and often toxic ideas about humanity s place in a living universe

What I am Not... I AM Vanita Batra, 2023-12-13 Widely accessible are a vast number of spiritual tools and teachings designed to help us cultivate a better understanding of ourselves our world around us and our role within it Many of these teachings were and continue to be instrumental to my own journey of understanding In 2016 that journey expanded to become one that includes Connection connection to a higher version of self and seemingly beyond self to information that has completely decoded and recontextualized my perceptions of reality and human experience I documented all of it Having spent many years integrating this information while simultaneously striving to live my life in a way that is worthy of it I now feel compelled to step out of the spiritual closet as one who channels to share the documentation of my Journey s transformation as well as all of the transformational information received Personal interpretations and perspectives are minimally offered so that each may receive this information in resonance with their own frequency but much loving guidance is provided Please be forewarned that Contemplation will be required to discover the multi faceted and multi layered truths within this information Other than being an observant attentive curious questioning human I am wholly without any recognizable accreditations that might qualify me to share any Wisdoms or Truths Thus I am a living example of the Connection available to every human merely accessing these abilities a little sooner than most of my collective siblings With genuine and loving intention I Trust and release this body of work to help expedite or birth for others connections to and beyond self that they may find their own versions of Wisdom Truth Towards living a life in Service this Sharing with you dear Seeker Vanita *Mills V.
