

Selected Eclectic Poems

Jeff Friday

The book cover features a central illustration of a desert city with tall, tiered towers and a winding path. The scene is framed by an ornate, arched doorway. In the foreground, two stylized, golden-brown creatures with horns and large eyes are positioned on either side of the path, looking towards the viewer. The overall color palette is warm, dominated by golds, browns, and oranges, creating a sense of ancient mystery and grandeur.
