## **Mortal Distractions:**

**Fatal Distractions** Kay Arthur, David Lawson, BJ Lawson, 2012-02-07 Don't become a spiritual statistic. Any type of sin can undermine a believer's effectiveness, but certain sins can become so deeply rooted in our lives even without our realizing that they become fatal to our spiritual growth. This study looks at six of the deadly sins that threaten spiritual progress: Pride, Anger, Jealousy, Gluttony, Slothfulness, and Greed. You'll learn to identify the subtle ways in which these fatal distractions can invade your life, and you'll be equipped to conquer these destructive temptations so you can mature in your journey with Christ.

**Mortal Distractions** Pauline Holdstock, 2004 Engaged and entirely engaging, her acerbic wit tempered by grace and good humour, Holdstock writes about war, about the conundrum of being Canadian, about reading in all its forms, and centrally about the vocation, vexations, and triumphs of writing in a time when the lessons of the past seem to have been lost. At the heart of this collection is Holdstock, the writer animating us in discussions about the creative process while assessing the actions and images of writing, politics, film, travel, and art.

*Fatal Distractions* Ed Young, 2000-04-08 Pride, Anger, Envy, Slothfulness, Lust, Greed, Gluttony. Is this an out-of-date list of sins preached against by a behind-the-times church? Or are these sins a challenge and a stumbling block for those of us who are living at the dawn of the twenty-first century? Pastor Ed Young Jr. says, "I believe you can not only live what the world calls a good life, but you can live what God calls a right life. You can be free of the things that are hanging you up. But to be free, you can and must own up to the distractions described in this book."

Deadly Distractions William Manchee, 2004 In Vol 5 of the Stan Turner Mysteries, Stan defends a client accused of killing an IRS agent and is quickly caught in the middle of a firefight between the Citizens Defense Alliance and the FBI. Since the CDA denies the legitimacy of the federal income tax, Stan and his partner Paula Waters come under the close scrutiny of the FBI and the press.

**Sacrificial Lamb Club** Kim Cormack, 2023-08-15 She'd gone from never in a million years to blowing up her afterlife for him. For this feeling, no rules and no shame. They couldn't last, but it didn't matter. They were beautiful, intoxicating, dangerous, and necessary. In a secret afterlife of magical mayhem, Lexy's powers surge, elevating her to the esteemed rank of a Guardian. But as fate weaves its intricate web, she finds herself entangled in a compromising position with her sworn enemy, sparking a wildfire of desire that cannot be ignored. The scorching passion between them sets her ablaze with irrational jealousy, creating combustible emotions. Amidst this tempestuous affair, Lexy struggles to stay true to her duties, torn between the alluring pull of forbidden love and her unwavering commitment to her responsibilities. Love and hate collide, blending into an intoxicating elixir that threatens to consume them all. Betrayal ignites like wildfire, triggering an epic rebellion that could change the course of their world. Lexy faces a choice: will she flip the script of immortality, defying all odds to pursue the heart's desire, or will she merely flip tables, shattering the fragile bonds that tie them together? Join her on this heart-pounding, lusty adventure as laughter, suspense, and passion collide in a symphony of pleasure and pain. Amid the chaos, Lexy embarks on a journey of intimate exploration where secrets are laid bare, and she discovers the raw essence of
