Michael and Mo Sarah Lewis, 2023-09-15 Sometimes life doesn't start how it should and for Michael this was the case Neglect is something that is hard to swallow but understanding that there is a way to cope and to see the world from an unfamiliar perspective can help us understand how we too can carry on through difficult times Finding the love of family and understanding the world through imagination and the magic of nature helped Michael Mo provides that most important of things friendship and companionship when things don't always turn out as they should Mo has been sent to guide Michael through and to let him know that life can be full of love and caring It's funny how our paths are written and how they turn out Luckily for Michael his path will be set by the friendship of Mo the Muskrat and the love of his Grandparents **Surviving**
