

Safety: Level 1

Safety: Level 1 course! Before you start, please take a minute to understand how this course works and how to **retain your certificate at the end.**

The course is divided into 10 modules, the last of which is a quiz in which you must achieve a score of 80% or more to pass. You can navigate through the course menu, or you can navigate through them in order by using the buttons at the bottom.

To complete the course, you need to access all information and interactions by clicking all available buttons. You must click on the button for access to the Module 10: Quiz to be granted. Each module has its own progress indicator in the upper-right that displays which components you need to complete, so you'll

know what you need to do. If you're not sure what something means, there is a glossary section that is accessible wherever you are in the course. You can also check your progress throughout the course too - you can check which achievements you've attained and which you haven't by clicking on the button to the left.
