Christian ministry : models of ministry and training Jesudason Baskar Jeyaraj,2002 *A New Kind of Church* Aubrey Malphurs,2007-02-01 There is no shortage of books these days on new ways of doing church New church models have been both warmly embraced and roundly criticized What are church leaders and others concerned about the state of the church to make of all this Does the Bible prescribe a standard model for doing church Or is there freedom within certain guidelines In *A New Kind of Church* respected church consultant Aubrey Malphurs addresses these important questions and suggests that there is room for new ways of doing ministry while being true to Scripture In the process he offers a theological and interpretive framework for evaluating any church model new or old He also offers suggestions for implementing change in the local church *Innovations in Ministry* Lyle E. Schaller,1994 Asserting that the good news greatly exceeds the bad news *Innovations in Ministry* celebrates what s working in American Protestantism Lyle E Schaller identifies the new and emerging models for ministry with heavy emphasis on paradigm shifts toward laity driven ministries These include 1 Market driven niched ministry to reach diverse populations 2 Ownership and initiative in ministry 3 Regional definitions of church The purpose of this book is found in chapter 5 A new partnership that redefines the role of denominations raises expectations of the laity and implements the Key Church Strategy described in chapters 6 and 7 Another strategy similar to the Key Church model is found in chapter 8 where multi site campuses are investigated Key Benefits Takes seriously the shift from small local churches toward large seven day a week regional churches presents several dynamic effective and successful models of ministry that are emerging within contemporary Protestant churches contributes a voice of hope to ministers who perceive their churches as threatened or even dying provides concrete examples of how effective ministry is actually taking place in the contemporary church and illuminates the Key Church Strategy and provides support for those engaged in or considering a multi site basis for ministry Creative Disarray Ronald E. leadership in the church **Models for Youth Ministry** Steve Griffiths,2013-05-16 This book explores models for youth ministry from the life and ministry of Christ This area of study has become fossilised because youth workers rely too heavily on the notion of incarnational or relational youth ministry This leads them to believe that they must spend huge amounts of time with young people in order to earn the right to share the gospel with them The author argues that this foundation for youth ministry is inadequate and impractical and that it is not how Jesus himself operated He proposes a broader Christology as a foundation for youth ministry today Each chapter includes study questions for individuals or groups [An Analysis of Various Models of Ministry and Their Implications for Creating True and Balanced Disciples](#) Rod Culbertson (Jr),2001

Models and Methods for Youth and Young Adult Ministry Arthur David Canales,2018-05-25 Models and Methods for Youth and Young Adult Ministry is a rare book on young adult and youth ministry in that it weaves sound theology and solid pastoral practice It invites pastoral practitioners scholars in the field and university ministry students to envision various models and methods for doing youth and young adult ministry in a collaborative and ecumenical way Through rich concrete examples and strategies the reader will grasp the significance of each model and the various methods to integrate and implement these robust approaches The result is this book will empower readers toward a more meaningful understanding of youth and young adult ministry which will in turn engage the young church of Christ [A Theology for Family Ministries](#) Michael J. Anthony,Michelle D. Anthony,2011 Experts develop a biblical theology for family ministry to help churches reach all types of families today from traditional nuclear homes to single parent blended and gay partner families and beyond

Reimagining Ministerial Formation David Heywood,2021-04-30 The Church is currently experiencing a transition in the way it understands and practises both mission and ministry It is to be outward looking engaging with the wider community involving all its members in mission and clergy are to play the role of enablers and equippers of the ministry of the whole church However ministerial formation in colleges and courses throughout the country lags behind this emerging consensus Theological education is still largely based on academic models Reimagining Ministerial Formation offers a new way forward where ministry comes to be about the whole church and ministerial formation is about collaboration between clergy and laity It argues strongly for a shift away from front loaded training to a new focus on formation as a life long process [Models of Evangelism](#) Priscilla Pope-Levison,2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and
