Cooper,2023-10-15 The Czech Manuscripts is dedicated to one of the most important literary forgeries on the model of Macpherson s Ossianic poetry The Queen s Court and Green Mountain Manuscripts discovered in 1817 and 1818 went on to play an outsized role in the Czech National Revival functioning as founding texts of the national mythology and serving as sacred works in the long period when they were considered genuine A successful literary forgery tells a lot about what a culture wants and needs at a particular moment One fascinating aspect of this story is how a successful fake was able to function in an integral way as part of the Czech cultural revival of the nineteenth century both because it played to expectations and nationalist values and because it met real cultural needs in many ways better than genuine historical literary works and artefacts Also fascinating is the vainglorious V clav Hanka a

prolific and dedicated forger who was likely the center of the conspiratorial ring that created the manuscripts and who went on as the librarian of the Czech National Museum to alter a number of others David Cooper analyzes what made the Manuscripts a convincing imitation of their Serbian and Russian models He looks at how translation shaped their composition and at the benefit of examining them as pseudotranslations and investigates the quasi religious rituals and commemorative practices that developed around them The Czech Manuscripts brings the Czech experience into the broader developments of European history *The Grammar of Hate* Natalia Knoblock, 2022-07-14 Bringing together research from a global team of scholars this innovative volume explores the morphosyntactic features of verbal aggression an aspect of hate speech that has been hitherto overlooked It will be essential reading for researchers and students of hate speech and verbal aggression **The Slavonic Review** ,1927 **The Slavonic and East European Review** ,1928 Includes section Reviews Czech Literature Since 1956 William Edward Harkins, Paul I.
