Modern Mystics:

Modern Mystics Bernard McGinn, 2023-02-27 Mysticism is not just a phenomenon of the past but has been alive and flourishing in Christianity, Judaism, and Islam over the past century as well as in many of the other religious traditions. Best understood as a search for the transforming presence of God, the mystical tradition has necessarily undergone changes and developments as it has confronted modernity and its frequently anti-religious stance. Making use of ten exemplary mystics of the 20th century including Catholic, Protestants, and Jews, this book argues for the continued importance of mysticism in the modern world and studies its ongoing transformations. *Modern Mystics* Sir Francis Edward Younghusband, 1935

Modern Mystics Francis Edward Younghusband, 1970-06-01 **The Modern Mystic**, 2015-10-23 The Christian mystics were seekers of God's wisdom and presence. They sought out, as described by the Celtic Christian tradition, those places where earth and heaven lose their distinctions. They serve as guides to those thin places for the modern-day spiritual seeker. The goal of this book is not to update the tradition but to locate the ancient wisdom and spiritual insights in a modern context. In this book, the two thousand-year-long tradition of spiritual seekers, the Christian mystics, will be explored for the purposes of mining their insights and wisdom for today's seeker. Their wisdom has been passed to us through what is called the Contemplative or Mystical path. It is a tapestry threaded with ecstatic visions of divine love, personal revelation, and a deep sense of God's direct presence. This book will introduce you to the history, major themes, characters, and practices of the Christian mystics. The mystics will serve as your spiritual guides to the love of God. The purpose of this book is not to update the ancient Contemplative wisdom and practices of the Christian mystics. Instead, the intent is to understand their wisdom in the hope of articulating it in such a way that spiritual seekers from a modern context can understand and apply what is gained for the benefit of their spiritual life. **Modern Mystics and Modern Magic** Arthur Lillie, 1894 Mystical

In *Mysticism and Morality*, author Richard Jones explores an often neglected question of religious ethics: Is mysticism moral? Through a discussion of several religious traditions including Hinduism, Jainism, Buddhism, Tantrism, Daoism, and Christianity, Jones fills a major void in the scholarly literature by considering all relevant points pertaining to mysticism. Rather than looking at mysticism abstractly, the book focuses on such topics as ritual practice and the processes of mystical becoming. This work provides new perspectives for those interested in ethics and will prove essential to anyone interested in comparative philosophy and cross-cultural studies of religion. [Eleven Modern Mystics and the Secrets of a Happy, Holy Life](#) Victor M. Parachin, 2011. It often happens that a person wishes to embark on a spiritual path but immediately doubts: surface. Can I really do this? What are the first steps? Such concerns can easily be swept aside by the simple realization that our world is teeming with spiritual mentors, or as the Bible notes: We are surrounded by such a great cloud of witnesses. All we need to do is look at them, be inspired by them, and permit them to show us the way. This book profiles eleven modern mystics whose lives inform, instruct, and inspire all who are traveling on a spiritual path. [Women Mystics Confront the Modern World](#) Marie-Florine Bruneau, 1998-01-29. Situates the female mystical tradition within the context of the epistemological shift which occurred at the dawn of the modern world. **God Is My Adventure: A Book On Modern Mystics, Masters, and Teachers** Rom Landau, 2023-07-18. attracted by those regions of truth that the official religions and sciences are shy of exploring The men who claim to have penetrated them have always had for me the same fascination that famous artists explorers or statesmen have for others and such men are the subject of this book Some of them come from the East some from Europe and America some give us a glimpse of truth by the mere flicker of an eyelid while others speak of heaven and hell with the precision of mathematicians I have met them all and some I have watched in their daily lives For years now I have sought their company questioned them and watched them closely at work I have tried to dissociate the personality from the teaching and then to reconcile the two I have included some of those whom now I cannot view without mistrust Since thousands of other people believe in them they are at any rate most interesting figures in contemporary spiritual life however little of ultimate value their teaching may possess There are people who know the heroes of this book more intimately than I but my aim has never been to identify myself with any one teacher On the contrary I have always been anxious to discover for myself through what powers they have influenced so many people This attitude will warn the reader not to expect an impersonal survey of contemporary spiritual doctrines I have limited myself to writing of those men with whom I have been in personal contact I approach them not as the scholar but as the ordinary man who tries to find God in daily life **Catalogue** State University of Iowa,1901
