Alison Phillips, 2015-06-04 Excerpt from *Modern Europe 1815 1899 Vol 8* In any attempt to deal in a small space with a vast subject it is clear that a bold use must be made of the art of arts that of leaving out and by the skill with which this art is exhibited in it the quality of a historical work as of a painting may be largely determined In writing the following pages I have tried to keep this truth constantly before me with what success I must leave to the kindly judgment of my readers For the guidance of this judgment however it would perhaps be well to state briefly the principles of omission and inclusion on which I have proceeded In general I have preferred to risk the charge of leaving out much that is essential rather than by undue compression to crowd my canvas with a mere lifeless diagram of facts My aim has been not to

paint a finished picture but to give a sketch which sometimes with less sometimes with more detail shall always suggest more than it shows on the surface and serve as an incentive and a guide to those who may wish to pursue the subject for themselves About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Modern Europe, 1815-1899, by W.alison Phillips* W. alison Phillips,1905 Modern Europe Walter Alison Phillips,1932 **Modern Europe, 1815-1899, Vol. 8 (Classic Reprint)** W. Alison Phillips,2017-09-09 Excerpt from Modern Europe 1815 1899 Vol 8 The statesmen assembled at Vienna were themselves indeed under no illusion in the matter For them the period just closed had been no more than an interlude unpleasantly interrupting the legitimate development of the diplomatic comedy and they were prepared in all gaiety of heart to resume the parts which they had filled before the Corsican interloper had thrust himself in and held the stage The magniloquent phrases were but addressed to the gallery intended only to tranquillise the peoples and to give to the solemn reunion an air of dignity and grandeur The true object of the Congress was after all only in accordance with a principle hallowed by immemorial tradition to divide among the conquerors the spoil of the conquered And from this moral and political obliquity of vision doubtless it comes that Europe instead of finding a permanent settlement on a foundation as firm as far sighted and disinterested statesman ship could make it has for nigh on a century amid wars and rumours of war been destroying piecemeal the political edifice which at Vienna monarchs and ministers patched together in the intervals of a round of gaiety which seemed even to So cynical an observer as Talleyrand to mock the misery of a world bled white by twenty years of war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Modern European History Hutton Webster,1920 **An Outline of Modern European History** Halford Lancaster Hoskins,1925 *The History of Europe from 1862 to 1914* Lucius Hudson Holt,Alexander Wheeler Chilton,1918 *A Student's Note-book of European History, 1789-1848* J.
