Modern Japan A History In Documents

M. William Steele

Modern Japan A History In Documents:

Modern Japan James L. Huffman, 2004 The civilization of Japan is an ancient one and by the time the first Western visitors arrived in 1542 the Japanese people were as highly educated as any in the world and enjoyed a sophisticated culture From the sixteenth century on the country's history was shaped by a tension between its people's thirst to understand foreign institutions and customs and their determination to assert and preserve its native traditions In Modern Japan James Huffman tells the rich and dynamic story of this history through a fascinating range of primary source documents A picture essay is dedicated to the tumultuous decade and a half following the arrival of Commodore Matthew Perry and the U S Navy in 1853 which led to an unprecedented opening of Japan to the West and accompanying turmoil While many Japanese welcomed the strangers men of zeal signed blood oaths to drive out the barbarians The picture essay explores this cultural clash with American and Japanese portraits of Perry pointing up the differences in attitude toward this divisive figure and a photograph of a Japanese diplomatic mission to Washington dramatically underlining the cultural differences between the Japanese and the Westerners The essay also demonstrates the new mixture of cultures as traditional Japanese art forms depict the lively foreign business district in Yokohama This cultural clash led to peasant uprisings and a coup illustrated in ink and paint that brought an end to the stable introverted Tokugawa rule and signaled the beginning of a new era for Japan Other primary sources in this collection include memoirs school textbooks the prison diary of a woman involved in a plot to assassinate the emperor political speeches a chilling eyewitness account of the dropping of the atomic bomb on Hiroshima and a comic book description of Adam Smith's economic theories Taken with the author's illuminating commentary these diverse voices trace Japan's history from its first uneasy interactions with the Western world to the point where Japanese culture goods and people from sushi ramen noodles karaoke videos anime and automobiles to major league baseball players have come to pervade the world as a part of the common international heritage

A Companion to Japanese History

William M. Tsutsui, 2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan's history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Voices of Early Modern Japan

Constantine N. Vaporis, Constantine Vaporis, 2020-11-26 In this newly revised and updated 2nd edition of Voices of Early Modern Japan Constantine Nomikos Vaporis offers an accessible collection of annotated historical documents of an extraordinary period in Japanese history ranging from the unification of warring states under Tokugawa Ieyasu in the early seventeenth century to the overthrow of the shogunate just after the opening of Japan by the West in the mid nineteenth century Through close examination of primary sources from The Great Peace this fascinating textbook offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more

demonstrating what historians can uncover from the words of ordinary people New features include An expanded section on religion morality and ethics A new selection of maps and visual documents Sources from government documents and household records to diaries and personal correspondence translated and examined in light of the latest scholarship Updated references for student projects and research assignments The first edition of *Voices of Early Modern Japan* was the winner of the 2013 Franklin R Buchanan Prize for Curricular Materials This fully revised textbook will prove a comprehensive resource for teachers and students of East Asian Studies history culture and anthropology

Voices of Early Modern Japan

Constantine Nomikos Vaporis Ph.D.,2012-01-06 Based on fresh translations of historical documents this volume offers a revealing look at Japan during the time of the Tokugawa shoguns from 1600 1868 focusing on the day to day lives of both the rich and powerful and ordinary citizens *Voices of Early Modern Japan Contemporary Accounts of Daily Life during the Age of the Shoguns* spans an extraordinary period of Japanese history ranging from the unification of the warring states under Tokugawa Ieyasu in the early 17th century to the overthrow of the shogunate just prior to the mid 19th century opening of Japan by the West Through close examinations of sources from a time known as The Great Peace this fascinating volume offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more Sources come from all levels of Japanese society everything from government documents and household records to personal correspondence and diaries all carefully translated and examined in light of the latest scholarship

Alternative Narratives in Modern Japanese History M. William Steele,2003-09-02 How did ordinary people experience Japan s modern transformation What role did people in local areas play in the making of modern Japan How do studies of local politics help explain national events The dominant account of modern Japanese history focuses on the nation building that brought Japan into the modern world After centuries of isolation American warships forced Japan to open its doors to the West and a group of tough new leaders transformed the country into one of the great military and economic powers of the world But different perspectives need to be examined *Alternative Narratives* introduces other actors other places and other dimensions of social and political activity in an attempt to construct a broader and more complex account of modern Japanese history Focusing on the initial years of Japan s modern transformation from the 1850s to the 1890s Steele explores responses of commoners to the arrival of American warships in 1853 the growth of popular political consciousness reactions of the residents of Edo in 1868 on the deposition of the shogun responses of the village elite to the fall of the old regime and established frameworks of historical narration including American attempts to understand Japan s 1868 civil war The author draws upon a wealth of documents including broadsheets woodblock prints political cartoons and local campaign literature as well as more conventional material in an endeavour to find new and different ways to examine the past This book forms an important resource to students of Japanese history and culture while simultaneously appealing to scholars interested in the general problem of history and history writing

The Japanese Discovery of America Peter Duus,1996-12-15 Milestone

Documents in World History Brian Bonhomme, Cathleen Boivin, 2010 Key documents from all important world cultures are included from the ancient Near East and ancient Egypt to the Greek and Roman Empires medieval Islam Renaissance Europe and modern Africa and Asia Constitutions speeches letters acts treaties and legal cases are all covered Among the documents included in the set are iconic legal and constitutional documents such as the Code of Hammurabi Magna Carta Meiji Constitution and the Constitutive Act of the African Union famous treatises such as the Plato's Allegory of the Cave the Communist Manifesto and Osama bin Laden's Declaration of Jihad against America important legislative acts from the Treaty of Guadalupe Hidalgo to the Treaty of Nanjing to the Treaty of Versailles and cultural and political declarations such as Martin Luther's 95 Theses Gandhi's Quit India Speech and Nelson Mandela's Inaugural Address From publisher description

Japan's Private Spheres: Autonomy in Japanese History, 1600-1930 William Puck Brecher, 2021-03-29 Japan's Private Spheres Autonomy in Japanese History 1600 1930 traces the shifting nature of autonomy in early modern and modern Japan In this far reaching interdisciplinary study W Puck Brecher explores the historical development of the private and its evolving relationship with public authority a dynamic that evokes stereotypes about an alleged dearth of individual agency in Japanese society It does so through a montage of case studies For the early modern era case studies examine peripheral living spaces boyhood and self interrogation in the arts For the modern period they explore strategic deviance individuality in Meiji education modern leisure and body maintenance Analysis of these disparate private realms illuminates evolving conceptualizations of the private and its reciprocal yet often contested relationship to the state

Milestone Documents in World History, 2010 Contains twenty nine full text primary source documents that provide insights into important events in world history each with an overview context time line biographical profile of the author explanation and analysis quotes and other resources arranged chronologically from 1942 to 2000
