

Modern Comedy

Marcus Benjamin

Modern Comedy:

The Birth of Modern Comedy in Renaissance Italy Douglas Radcliff-Umstead, 1969 Italian Renaissance comedy is a literary genre previously found by most critics to be totally lacking in originality Until recent years many literary historians dismissed these comic productions as mere imitations of the works of Plautus and Terence Douglas Radcliff Umstead however provides a detailed analytical and comparative study of Renaissance comedy in Italy and shows it to be not a pallid imitation but original drama which expressed Renaissance values and depicted contemporary customs book jacket *The Collected Works of William Hazlitt: The Round table. Characters of Shakespear's plays. A letter to William Gifford, esq* William Hazlitt, 1902 *Hegel's Aesthetics* Lydia L. Moland, 2019-07-08 Hegel is known as the father of art history yet recent scholarship has overlooked his contributions This is the first comprehensive interpretation of Hegel s philosophy of art in English in thirty years In a new analysis of Hegel s notorious end of art thesis Hegel s Aesthetics shows the indispensability of Hegel s aesthetics for understanding his philosophical idealism and introduces a new claim about his account of aesthetic experience In a departure from previous interpretations Lydia Moland argues for considering Hegel s discussion of individual arts architecture sculpture painting music and poetry on their own terms unlocking new insights about his theories of perception feeling selfhood and freedom This new approach allows Hegel s philosophy to engage with modern aesthetic theories and opens new possibilities for applying Hegel s aesthetics to contemporary art Moland further elucidates his controversial analysis of symbolic classical and romantic art through clarifying Hegel s examples of each By incorporating newly available sources from Hegel s lectures on art this book widely expands our understanding of the particular artworks Hegel discusses as well as the theories he rejects Hegel s Aesthetics further situates his arguments in the intense philosophizing about art among his contemporaries including Kant Lessing Herder Schelling and the Schlegel brothers Ultimately the book offers a rich vision of the foundation of his ideas about art and the range of their application confirming Hegel as one of the most important theorists of art in the history of philosophy Dramatics for School and Community Claude Merton Wise, 1923 **The Drama** , 1918 **Studies of the Greek Poets** John Addington Symonds, 1882 The Paris Exposition of 1900 James Penny Boyd, 1900 Theatre Arts Monthly , 1929 **Hegel's Aesthetics** Georg Wilhelm Friedrich Hegel, 1885 The work is divided into three parts The first which gives the fundamental philosophy of the whole is here reproduced faithfully though in a condensed form with criticisms of the present author interspersed Of the second part which traces the logical and historical development of the Art impulse there is an excellent translation easily accessible I have thought it best therefore to substitute here an original disquisition in language approaching nearer the vernacular and with more immediate regard to present sthetic problems yet following also the pathway marked out by Hegel and giving the substance of his thought Of the third part which is larger than both the others combined being the treatment of all the Arts in detail I have given all the important definitions and fundamental ideas omitting as was needful the minute illustrations of the

same and the properly technical part which too can be found elsewhere Preface *The Theatre* ,1911 **The Complete Works of William Hazlitt: The round table. Characters of Shakespear's plays** William Hazlitt,1930 **The Round Table** William Hazlitt,1889 The Round Table W. Carew Hazlitt,1884 **The Encyclopedia Americana** ,1922 **The Americana** ,1923 **The Cumulative Book Index** ,1930 *Appleton's New Practical Cyclopedia* Marcus Benjamin,1913 Alumnae Theatre Company: Nonprofessionalizing Theatre in Canada Robin C. Whittaker, *Library Bulletin* ,1886 *Theatre Arts Magazine* Sheldon Cheney,Edith Juliet Rich Isaacs,1929
