

CAMBRIDGE HISTORY OF BRITAIN

MODERN BRITAIN

1750 TO THE PRESENT

Second Edition

JAMES VERNON

Modern Britain An Introduction

Nicholas Abercrombie, Alan Warde

Modern Britain An Introduction:

Modern Britain John L. Irwin,1980 **Modern Britain** John Irwin,2016-11-30 Since first publication in 1976 Modern Britain has been widely used as a comprehensive and straightforward introduction to some of the most important features of British life today The author provides a clear account of a wide range of topics that are keys to understanding the British culture including the system of government the structure of education the social services family life and the mass media This third edition has been fully revised to take account of important developments and current debates such as whether the monarchy has become too expensive the role of the poll tax in Margaret Thatcher s downfall and the Church of England s decision to ordain women priests While writing this book John Irwin has been particularly conscious of the needs of foreign students but Modern Britain will be equally useful to school students in Britain and indeed to anyone with an interest in knowing how modern British institutions developed and how they work today *Modern Britain* John L. Irwin,1976-01-01

Modern Britain, 1750 to the Present James Vernon,2017-04-20 This wide ranging introduction to the history of modern Britain extends from the eighteenth century to the present day James Vernon s distinctive history is weaved around an account of the rise fall and reinvention of liberal ideas of how markets governments and empires should work The history takes seriously the different experiences within the British Isles and the British Empire and offers a global history of Britain Instead of tracing how Britons made the modern world Vernon shows how the world shaped the course of Britain s modern history Richly illustrated with figures and maps the book features textboxes on particular people places and sources further reading guides highlighted key terms and a glossary A supplementary online package includes additional primary sources discussion questions and further reading suggestions including useful links This textbook is an essential resource for introductory courses on the history of modern Britain *The Sociology of Modern Britain* Eric Butterworth,David Weir,1970

[The Economics of Modern Britain](#) John Black,1982-01-01 **The Shaping of Modern Britain** Eric Evans,2014-01-14 In this wide ranging history of modern Britain Eric Evans surveys every aspect of the period in which Britain was transformed into the world s first industrial power By the end of the nineteenth century Britain was still ruled by wealthy landowners but the world over which they presided had been utterly transformed It was an era of revolutionary change unparalleled in Britain yet that change was achieved without political revolution Ranging across the developing empire and dealing with such central institutions as the church education health finance and rural and urban life The Shaping of Modern Britain provides an unparalleled account of Britain s rise to superpower status Particular attention is given to the Great Reform Act of 1832 and the implications of the 1867 Reform Act are assessed The book discusses the growing role of the central state in domestic policy making the emergence of the Labour party the Great Depression the acquisition of a vast territorial empire Comprehensive informed and engagingly written The Shaping of Modern Britain will be an invaluable introduction for students of this key period of British history *An Introduction to Modern British History, 1900-1999* Michael Lynch,2001

This text is an essential introduction to the key issues and themes of modern British history for senior students. The Access to History Context series covers core periods of European and American history. Each book covers a period of at least one hundred years charting the key political, social, economic, religious, and cultural themes and issues of that time. All texts include activities with comprehensive advice on tackling essay questions.

The Modern British State Philip Harling, 2001-08-22. This book is an unprecedented synthesis of the literature on state development that explains how and why the contours of the British state have changed over the last three centuries. Ranging in scope from the Glorious Revolution to New Labour, it provides a fluent and comprehensive introduction to the changing shape and role of the British state. Philip Harling's main theme is the dramatic broadening of the state's functions and its cost over the last three centuries, and most noticeably over the last one. As late as 1870, most Britons assumed that the only tasks that should be entrusted to the central government were issues such as the defence of the realm, the maintenance of public order, and the provision of basic amenities such as street lighting. Today, they assume that these tasks ought to extend, and of course they do extend, to the provision of education, retirement benefits, unemployment insurance, health care, and a host of other services. Harling takes a number of historical factors into account in his assessment of the broadening trajectory of the state, such as the enormous expansion of the state's traditional war-making role over the eighteenth century, the uneven development of new regulatory duties in the nineteenth century, the impact of the two global wars of the twentieth century, the growth of the postwar welfare state, and the political reaction against it. Engagingly written and persuasively argued, *The Modern British State* should serve as a core text for a wide variety of courses in modern British history, politics, public policy, and historical sociology.

Introduction to Block 2. Modern Britain: the Economic Base, 1985. *Modern Britain* Sean Glynn, Alan Booth, 2020-08-17. *Modern Britain* focuses on two major periods of British history: the interwar period and postwar Britain. The authors compare and contrast developments in the two periods, dealing with the themes of growth and welfare, industry, labour, social policy, the economy. Combining a narrative with a conceptual and analytic approach, *Modern Britain* provides an end-of-century review of progress and decline and an essential background to current polemics and major issues of concern. Clearly structured and written, this is an invaluable textbook for students of twentieth-century British history.

[A History of Modern Britain](#) Ellis Wasson, 2015-12-02. Now available in a fully revised and updated second edition, *A History of Modern Britain 1714 to the Present* provides a comprehensive survey of the social, political, economic, and cultural history of Great Britain from the Hanoverian succession to the present day. Places Britain in a global context, charting the rise and fall of the British empire and the influence of imperialism on the social, economic, and political developments of the home country. Includes revised sections on imperialism and the industrial revolution that have been updated to reflect recent scholarship, a more reflective view on New Labour since its demise, and an all-new section on the performance of the Conservative-Lib Dem coalition that came into office in 2010. Features illustrations, maps, an up-to-date bibliography, a full list of Prime Ministers, a

genealogy of the royal family and a comprehensive glossary explaining uniquely British terms acronyms and famous figures Spans topics as diverse as the slave trade the novels of Charles Dickens the Irish Potato Famine the legalization of homosexuality coalmines in South Wales Antarctic exploration and the invention of the computer Includes extensive reference to historiography

The Cambridge Introduction to Modern British Fiction, 1950-2000 Dominic Head, 2002 In this introduction to post war fiction in Britain Dominic Head shows how the novel yields a special insight into the important areas of social and cultural history in the second half of the twentieth century Head's study is the most exhaustive survey of post war British fiction available It includes chapters on the state and the novel class and social change gender and sexual identity national identity and multiculturalism Throughout Head places novels in their social and historical context He highlights the emergence and prominence of particular genres and links these developments to the wider cultural context He also provides provocative readings of important individual novelists particularly those who remain staple reference points in the study of the subject Accessible wide ranging and designed specifically for use on courses this is the most current introduction to the subject available

UK now Casper Sylvest, Jakob Sinding Skött, **The Sociology of Modern Britain** Eric Butterworth (comp), 1971 MODERN BRITAIN. INTRODUCTORY ESSAYS ON POLITICAL, SOCIAL AND ECONOMIC THEMES FOR STUDENTS OF ENGLISH. ED. BY FRANK JOLLES. ,1975 **Memory and Modern British Politics** Matthew Roberts, 2023-12-14 This edited collection explores absence presence and remembrance in British political culture and memory studies Comprehensive in its scope it covers the entire modern period bringing together the 19th and 20th centuries as well as Britain Ireland and the Atlantic World As the first comparative and in depth study to explore the central and contested place of memory and the invention of tradition in modern British politics chapters include memorialisation statue mania anniversaries and on the wider impact and invoking of dead generations In doing so this book provides a new exciting and accessible way of engaging with the history of British political culture

Contemporary British Society Nicholas Abercrombie, Alan Warde, 1994-01 This textbook aims to cover all aspects of the social structure of modern Britain The text has been thoroughly revised and updated using the latest statistical information and recent empirical studies The authors have also introduced new arguments and debates where these have added to the understanding of changes in British society There are separate chapters dealing with the major areas of modern life in Britain work class gender ethnicity families and households towns and cities education health culture and media deviance and politics Each of these chapters is further subdivided into smaller and self contained sections on more specific topics The emphasis throughout the book is on an accessible user friendly and non technical approach It is written in a jargon free and approachable style There is extensive cross referencing and frequent summarizing of arguments The book features photographs diagrams graphs drawings and cartoons

Modern Britain Frank Jolles, 1976 **Early Modern Britain, 1450-1750** John Miller, 2017-04-13 This introductory textbook provides a wide ranging survey of the political social cultural and economic history of early modern

Britain charting the gradual integration of the four kingdoms from the Wars of the Roses to the formation of Britain and the aftermath of England's unions with Wales and Scotland The only textbook at this level to cover Britain and Ireland in depth over three centuries it offers a fully integrated British perspective with detailed attention given to social change throughout all chapters Featuring source textboxes illustrations highlighted key terms and accompanying glossary timelines student questioning and annotated further reading suggestions including key websites and links this textbook will be an essential resource for undergraduate courses on the history of early modern Britain A companion website includes additional primary sources and bibliographic resources
