Modern Physics Selected Readings:

Modern Physics ,1971 The Selected Writings of Maurice O'Connor Drury Maurice O'Connor Drury,2017-09-21
Maurice O Connor Drury was among Wittgenstein s first students after his return to Cambridge in 1929 The subsequent course of Drury s life and thought was to be enormously influenced by his teacher from his decision to become a doctor to his later work in psychiatry The Selected Writings of Maurice O Connor Drury brings together the best of his lectures conversations and letters on philosophy religion and medicine Central to the collection is the Danger of Words the 1973 text described by Ray Monk as the most truly Wittgensteinian book published by any of Wittgenstein s students Through notes on conversations with Wittgenstein letters to a student of philosophy and correspondence of almost 30 years with Rush Rhees Drury gives shape to what he had learned from Wittgenstein Whether discussing methods of philosophy Simone Weil or the power of hypnosis he makes fascinating excursions into the bearing of Wittgenstein s thought on philosophy and the practice of medicine and psychiatry With an introduction presenting a new biography of Drury analysing the relationship between him and Wittgenstein The Selected Writings of Maurice O Connor Drury features previously unpublished archival sources Beautifully written and carefully selected each piece reveals the impact of Wittgenstein s teachings shedding light on the friendship and thinking of one of the most important philosophers of the 20th century **Selected Writings of Richard McKeon** Richard P. McKeon,1998-03-28 Richard McKeon 1900 1985 taught philosophy at the University of Chicago from 1935 to 1973 and at the time of his death had published eleven books and 158 articles on an extraordinary array of topics and cultures This first volume of an ambitious three volume work covers philosophic theory through McKeon s writings on first philosophy metaphysics and the methods and principles of the sciences *The Selected Writings of Jan Patocka* Jan Patocka,2022-03-24 Jan Patocka s contribution to phenomenology and the philosophy of history mean that he is considered one of the most important philosophers of the 20th century Yet his writing is not widely available in English and the Anglophone world remains rather unfamiliar with his work In this new book of essential Patocka texts of which the majority have been translated from the original Czech for the first time readers will experience a general introduction to the key tenets of his philosophy This includes his thoughts on the relationship between philosophy and political engagement which strike at the heart of contemporary debates about freedom political participation and responsibility and a truly pressing issue for modern Europe what exactly constitutes a European identity In this important collection Patocka provides an original vision of the relationship between self world and history that will benefit students philosophers and those who are interested in the ideals that underpin our democracies **Select Readings for Public and Private Entertainment ...** ,1886
