Sexual Contract:

The Sexual Contract Carole Pateman, 2014-03-25 Carole Pateman is one of the foremost political theorists writing in English today. In this outstanding new work she presents a major reinterpretation of modern political theory. She shows how standard discussions of social contract theory tell only half the story. The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned. In a wide ranging and scholarly discussion Pateman examines the significance of the political fictions of the original contract and the slave contract. She also offers a sweeping challenge to conventional understandings of both left and right of actual contracts in everyday life: the marriage contract, the employment contract, the prostitution contract, and the new surrogacy contract. By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes she is able to shed new light on the fundamental problems of freedom and subordination. *The Sexual Contract* will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy, women's studies, sociology and jurisprudence.

The Sexual Contract Carole Pateman, 2018-09-25 Thirty years after its initial publication *The Sexual Contract* remains a seminal work that challenges the standard view of the implications of the idea deeply embedded in Western thought that we should think of the state as if it were derived from an original contract. This idea lays the foundations for modern contract theory. In this book leading feminist political theorist Carole Pateman revealed for the first time that we were only given half the story. The sexual contract that established men's patriarchal right over women has been glossed over and no attention is paid to the problems that arise when women are excluded from the original contract but incorporated into the new contractual order. Pateman's critique of the traditional social contract continues to be relevant to discussions about the marriage contract and the employment contract as well as newer cases such as the welfare contract and the environmental contract. With an updated preface by the author this edition

speaks to ever important questions about freedom and subordination

Rewriting the Sexual Contract Geoff Dench, This book brings together a wide selection of viewpoints on what is happening to relations between the sexes and the sexual division of labor in contemporary society The contributors look at the ways in which gender relationships are changing the consequences of these changes for family life and society generally and the part the state should play in future developments

Rewriting the Sexual Contract encompasses the views of people with widely differing orientations stretching across the moral and political spectrum The contributors provide varied interpretations of what the recent sexual revolution means and where it may be leading us The questions discussed include Are the life styles of men and women converging or polarizing Do men and women place the same value on family life Do most mothers want to work full time while their children are young Are families strengthened by a sense of differentiation and interdependence between the sexes Does social policy need to recognize sexual differences in order to maximize social equality The contributors represent a wide range of viewpoints but are all involved in analyzing and influencing public attitudes in this area They include Carole Pateman Roger Scruton Ruth Lister Fay Weldon Michael Young and Barbara Cartland among others

Rewriting the Sexual Contract examines issues pertinent to the current social and political culture and will be of interest to sociologists gender studies scholars and political theorists Geoff Dench is a senior research fellow at the Institute of Community Studies and a visiting professor at Middlesex University He is the author of *Transforming Men and Minorities in the Open Society Prisoners of Ambivalence*

The Law of

Contracts William Herbert Page,1922 **Good Sex** Raymond A. Belliotti,1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn't acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy **The Sexual Question** Auguste Forel,1908 *Principles of the Law of Contracts* Sir John William Salmond,Sir Percy Henry Winfield,1927 *Radical Critiques of the Law* Stephen M. Griffin,Robert C. L. Moffat,1997 The past two decades have seen an outpouring of work in legal theory that is self-consciously critical of aspects of American law and the institutions of the liberal state In this lively volume eminent scholars in philosophy law and political science respond to this recent scholarship by exploring what constitutes a radical critique of the law examining such theories as critical legal studies feminist theory and theories of difference and critical race theory The authors consider whether the critiques advanced in recent legal theory can truly be called radical and what form a radical critique of American law should take Writing at the cutting edge of the critique of critical legal theory they offer insights first on critical legal scholarship then on feminist political and legal theory A third group of contributions questions the radicalness of these approaches in light of their failure to challenge fundamental aspects of liberalism while a final section focuses on current issues of legal reform through critical views on criminal punishment including observations on rape and hate speech Each major essay describes the underlying principles in the development of a radical legal theory and addresses unresolved questions relating to it while accompanying commentaries present conflicting views The resulting dialogue explores wide-ranging issues like equity value relativism adversarial and empathic legal advocacy communitarianism and the social contract impartiality and contingency natural law and corrective justice A common thread for many of the articles is a focus on the social dimension of society and law which finds the individualism of prevailing liberal theories too limiting *Radical Critiques of the Law* is particularly unique in presenting critical and feminist approaches in one volume along with skeptical commentary about just how radical some critiques really are Proposing alternative critiques that embody considerably greater promise of being truly radical it offers provocative reading for both philosophers and legal scholars by showing that many claims to radicalism are highly problematic at best **The Social Contract Tradition** Stevens Frederick Wandmacher,2003 **Sex in Civilization** Victor Francis Calverton,Samuel Daniel Schmalhausen,1929 Several pages on homosexuality see index **The Index ...** Francis Ellington Abbot,William James Potter,Benjamin Franklin Underwood,1872 [The Rights of Women and the Sexual Relations](#) Karl Heinzen,1891 [New York Law of Contracts](#) Briscoe Baldwin Clark,1922 *Contracts Ruling Case Law*,1915 **The Monthly Review** ,1906 [The Monthly Review](#) Sir Henry John Newbolt,Charles Hanbury-Williams,1906 **The Woman a Man Marries** Victor Cox Pedersen,1927
