The Sexual Wilderness : the Contemporary Upheaval in Male-female Relationships Vance Packard,1974-10

The Sexual Wilderness Vance Packard,1965 **The Sexual Wilderness** Vance Packard,1968 **The Sexual**

Wilderness ; the Contemporary Upheaval in Male-female Relationships [by] Vance Packard Vance Oakley

Packard,1968 **Sacred Sexuality** Georg Feuerstein,2003-11-14 A historical cross cultural survey of sexuality as a sacred

spiritual practice Examines sacred sexuality in the world s religious and mystery traditions Explores contemporary sexual

stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary

This book examines the history of sexuality as a sacramental act In spite of our culture s recent sexual liberalizations sexual

intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be

attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual

traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding

sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that

sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred

marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein

offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our

contemporary needs **The Sexual Wilderness** Marlene Miles,2022-12-03 There is a Sexual Wilderness where people can

get caught caught up lost and broken You should neither be an aggressor nor a victim in this wilderness This book will help

you get out if you are caught up and it will teach you how not to get stuck in it This is Part 2 of the three book series The

Wilderness Romance **The Sexual Wilderness** Vance Packard,1968 **The Road to Romance and Ruin** Jon

Lewis,2013-12-04 This book analyses the teen film as the rare medium able to represent the otherwise chaotic and conflicting

experience of youth The author focuses on six major issues alienation deviance and delinquency sex and gender the politics

of consumption the apolitics of youth full rebellion and regression into nostalgia Despite the many differences within the

genre this book sees all teen films as focused on a single social concern the breakdown of traditional forms of authority

school church family Working with the theories of such diverse scholars as Kenneth Keniston Bruno Bettelheim Erik Erikson

Theodor Adorno Simon Frith and Dick Hebdige the author draws an innovative and flexible model of a cultural history of

youth Originally published in 1992 **Sexual Ethics** Stanley James Grenz,1997-01-01 In this biblically grounded study

Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound

role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the

contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community

one that proclaims God s grace to all **The Sexual Wilderness** Vance Packard,1970 **After Aquarius Dawned** Judy

Kutulas,2017-03-16 In this book Judy Kutulas complicates the common view that the 1970s were a time of counterrevolution against the radical activities and attitudes of the previous decade Instead Kutulas argues that the experiences and attitudes that were radical in the 1960s were becoming part of mainstream culture in the 1970s as sexual freedom gender equality and more complex notions of identity work and family were normalized through popular culture television movies music political causes and the emergence of new communities Seemingly mundane things like watching The Mary Tyler Moore Show listening to Carole King songs donning Birkenstock sandals or reading Roots were actually critical in shaping Americans perceptions of themselves their families and their relation to authority Even as these cultural shifts eventually gave way to a backlash of political and economic conservatism Kutulas shows that what critics perceive as the narcissism of the 1970s was actually the next logical step in a longer process of assimilating 1960s values like individuality and diversity into everyday life Exploring such issues as feminism sexuality and race Kutulas demonstrates how popular culture helped many Americans make sense of key transformations in U S economics society politics and culture in the late twentieth century On the Pill

Elizabeth Siegel Watkins,2001-09-14 In 1968 a popular writer ranked the pill s importance with the discovery of fire and the developments of tool making hunting agriculture urbanism scientific medicine and nuclear energy Twenty five years later the leading British weekly the Economist listed the pill as one of the seven wonders of the modern world The image of the oral contraceptive as revolutionary persists in popular culture yet the nature of the changes it supposedly brought about has not been fully investigated After more than thirty five years on the market the role of the pill is due for a thorough examination from the Introduction In this fresh look at the pill s cultural and medical history Elizabeth Siegel Watkins re examines the scientific and ideological forces that led to its development the part women played in debates over its application and the role of the media medical profession and pharmaceutical industry in deciding issues of its safety and meaning Her study helps us not only to understand the contraceptive revolution as such but also to appreciate the misinterpretations that surround it
