

How to annotate and prepare your commentary (part 1 of Shakespeare)

What is the importance of this extract to the whole play in terms of

- dramatic impact?
- thematic development?
- character development?
- use of language?
- plot?

- Write a clear sentence summing up the importance of the extract for each of these aspects

You now have **four** distinct areas for commentary: dramatic features, themes, characterisation and use of language. Look through the points you have made for each topic and decide which quotations to use to illustrate them

Further questions for the extract

1) **Evolution of characters and their relationships**

What happens to a given character in this extract, and why is this important to him/her?

What has happened to the character prior to this and what happens to him/her afterwards? How is this passage significant in terms of the character's evolution throughout the play?

2) **Central themes of the play**

How are the central themes of the play developed in this passage?

How does the passage add to your understanding of the themes of the play?

3) **Use of language**

Explore how Shakespeare's use of language helps us to understand the evolution of the characters/their relationships/central themes. You should aim to analyse some quotations from the extract in **depth**. To do this, you should explore the following, using the correct literary terms to describe effects:

a) **the character's choice and use of language**

What does this tell us about the character's

- preoccupations
- his/her mental, emotional and spiritual state
- what type of person the character is
- how s/he views other characters?

You will need to think carefully about the use of iambic pentameter, paradox, the contrast between poetry and prose, verbal humour, visual humour and so on.

b) **how central themes are explored/developed by the choice and use of language**. You will need to analyse the suggestions of words, images and phrasing **precisely**. For example, how does Shakespeare's use of
