Orphans Real And Imaginary

Kathleen Armour

Orphans Real And Imaginary:

Orphans Eileen Simpson,1990-05-01 In this memoir the author provides an account of orphanhood and in a series of essays examines the role and meaning of orphanhood in literature history and culture **Cultural Orphans in America**

Diana Loercher Pazicky,2008-10-01 Images of orphanhood have pervaded American fiction since the colonial period Common in British literature the orphan figure in American texts serves a unique cultural purpose representing marginalized racial ethnic and religious groups that have been scapegoated by the dominant culture Among these groups are the Native Americans the African Americans immigrants and Catholics In keeping with their ideological function images of orphanhood occur within the context of family metaphors in which children represent those who belong to the family or the dominant culture and orphans represent those who are excluded from it In short the family as an institution provides the symbolic stage on which the drama of American identity formation is played out Applying aspects of psychoanalytic theory that pertain to identity formation specifically Ren Girard s theory of the scapegoat **Cultural Orphans in America** examines the orphan trope in early American texts and the antebellum nineteenth century American novel as a reaction to the social upheaval and internal tensions generated by three major episodes in American history the Great Migration the American Revolution and the rise of the republic In Puritan religious texts and Anne Bradstreet s poetry orphan imagery expresses the doubt and uncertainty that shrouded the mission to the New World During the Revolutionary and post Revolutionary periods the separation of the colony from England inspired an identification with orphanhood in Thomas Paine s writings and novels by Charles Brockden Brown and James Fenimore Cooper encode in orphan imagery the distinction between Native Americans and the new Americans who have usurped their position as children of the land In women s sentimental fiction of the 1850s images of orphanhood mirror class and ethnic conflict and Uncle Tom s Cabin like Frederick Douglass s autobiographies employs orphan imagery to suggest the slave s orphanhood from the human as well as the national family *Orphans*

Jeremy Seabrook,2018-11-01 Orphans have often been beneficiaries of charity and compassion but society has also punished abused and ill treated them Attitudes behind this maltreatment are rooted in ideas that those without parents are disruptive malevolent and in need of discipline Drawing on historic documents interviews and memoirs Jeremy Seabrook charts history s changing and often loose definitions of orphans and explores their many makers from natural or man made catastrophes to the State charity and other social forces that have separated children especially the poor from their close kin But this history is not only one of suffering Orphans also reveals the uncounted millions taken in and loved by relatives neighbors or strangers Freed from constraints and driven by insecurity many orphans including Nelson Mandela Marilyn Monroe and Steve Jobs have led remarkable lives **The Orphan** Audrey Punnett,2014-06-21 **The Orphan** A Journey to Wholeness addresses loneliness and the feeling of being alone in the world two distinct characteristics that mark the life of an orphan Regardless if we have grown up with or without parents we are all too likely to meet such experiences in ourselves and in our

daily encounters with others With numerous case examples Dr Punnett describes how loneliness and the feeling of being alone tend to be repeated in later relationships and may eventually lead to states of anxiety and depression The main purpose of this book is not to just stay within the context of the literal orphan but also to explore its symbolic dimensions in order to provide meaning to the diverse experiences of feeling alone in the world In accepting the orphan within we begin to take responsibility for our own unique life journey a privileged journey in which one can at some point in time say with pride I am an orphan

Recreating Motherhood Barbara Katz Rothman,2000 Selling genetically gifted human eggs on the free market for a hefty price In vitro fertilization Fetal rights Prenatal diagnosis Surrogacy All are instances of biomedical and social advancements with which we have become familiar in recent years Yet these issues are often regarded as distinct or only loosely related under the rubric of reproduction Barbara Katz Rothman demonstrates how they form a complex whole that demands of us in response a woman centered class sensitive way of understanding motherhood We need a social policy for dealing with mothers and motherhood that is consistent with feminist politics and feminist theory Her book show how we as a society must first recognize that the real needs of mother father and children have been swept aside in an attempt to reduce the complex process of human reproduction to a clinical event that can be controlled by medical technology Rothman suggests ways to accomplish social and legal change that would allow technological advances to affirm motherhood and the mother child relationship without cost to women s identity This new edition of *Recreating Motherhood* contains exciting updates Rothman shows how this material is key in understanding the family not just motherhood And a new chapter *Reflections on a Decade* explores how new reproductive technologies combine with new marketing and new genetics to pose troubling social questions

Life Culture Versus Death Culture and the Death of Literature Dr. Patrick ODougherty,2020-01-27 If you take the divine out of literature and the spark of the divine out of race you are left with a death of literature and a death of race This work is a tribute to the writings and brilliance of Pope John Paul II

Report of the Hebrew Orphan Asylum of the City of New York Hebrew Orphan Asylum of New York,1893

Parenting Through Crisis Barbara Coloroso,2010-01-26 In this companion to her bestselling *Kids are Worth It* parenting educator Barbara Coloroso shows how parents can help children find a way through grief and sorrow during the difficult times of death illness divorce and other upheavals She offers concrete compassionate ideas for supporting children as they navigate the emotional ups and downs that accompany loss assisting them in developing their own constructive ways of responding to what life hands them At the heart of her approach is what she calls the T A O of Family Time Affection and Optimism coupled with her deep understanding of how people move through grief Barbara Coloroso s clear answers to difficult questions are enriched by uplifting humor and insightful anecdotes from her own experiences as a Franciscan nun mother of three and her thirty years as a parenting educator With this Guide in hand parents can feel assured that they are responding with wisdom and love when children need them most

The Praeger Handbook of Adoption Kathy S. Stolley,Vern L. Bullough,2006 **The**

Promise of Hermeneutics Roger Lundin, Anthony C. Thiselton, Clarence Walhout, 1999 This work presents an interdisciplinary study of the nature and scope of interpretation The three authors bring the resources of the Bible Christian tradition and intellectual history to bear upon contemporary hermeneutical disputes Representing a complete revision of *The Responsibility of Hermeneutics* 1985 this substantially expanded volume has been brought up to date with recent work in hermeneutics and sets forth an important new perspective that shifts the interpretive focus from the past to the promise of the future Making use of the best insights from current theories about language interpretation and the nature of the self *The Promise of Hermeneutics* demonstrates how an encounter with contemporary interpretive theory can deepen the church's own hermeneutical practices The authors also show how the Christian faith can help move us beyond the many impasses created by postmodern thought From publisher's description

I Swore I'd Never Do That Elizabeth Fishel, 1994 The winner of the 1991 Parent's Choice Award for Best Book on Parenting is now available in trade paperback Based on interviews with nearly 200 parents this warm and humorous book explores the ways in which unresolved issues from childhood prevent people from being the parents they want to be and how to change this pattern

New Hispanisms Mark Millington, Paul Julian Smith, 1994 Library Journal, 1988

The Power of Mother Love Brenda Hunter, 1998 Many women especially the mothers of young children feel their role as just a mother is undervalued today This book highlights the incredible although sometimes unrealized influence that a mother has on her children and her society After decades of scientific and psychological study there is overwhelming evidence that mother love has an enormous permanent impact in shaping the character and life of a child As both a psychologist and a Christian Brenda Hunter presents a convincing argument that this love is even more powerful and far reaching than our culture has yet realized And the impact of this powerful love impacts not only the child but the mother herself and the society as a whole Hunter affirms the immeasurable value of the mothering role from a Christian perspective while realistically addressing women's greatest questions and concerns Hunter clearly reveals how mother love positively affects the way a woman defines herself
