Sharing Parenthood:

Equally Shared Parenting Marc Vachon, Amy Vachon, 2010-01-05 This Is Parenting on Your Own Terms Chances are you'd rather not forfeit your happy rested life the moment you become a parent As a mom you may want to keep your career but aren't sure how to balance it with housework and childcare As a dad you probably want to witness your child's milestones but a demanding job may get in the way And what about time for yourself never mind your sex life Marc and Amy Vachon were determined to beat this scenario when their first child was born They vowed to sidestep the world's expectations of new parents and create a parenthood model that worked for them Their strategy was to share everything the good and the bad They became peers in each area of parenthood childcare housework and breadwinning They also made time for themselves and for each other They shared the burdens so nobody was overwhelmed and the joys so neither missed out on the fun Drawing on Marc and Amy's experiences as well as those of dozens of ESP couples Equally Shared Parenting shows you how to create a balanced life that is rarely experienced by today's parents It's not just about who vacuums and who does the dishes or who brings in the paycheck and who tends to the kids You'll learn how to look at every aspect of parenthood money careers and your individual needs so you can build a life that works for you both

Sharing Parenthood After Divorce Ciji Ware, 1984

Sharing Parenthood After Divorce Ciji Ware, 1982

Shared Parenting: Beyond the Great Divide Frank Leek, 2012-06 It is a challenge for parents to raise children in one home even when everyone is getting along After a divorce when all the mediators attorneys evaluators and judges have moved on to other families parents are left with the most difficult task of all moving past their own conflicts and learning to raise their child in two homes Divorced parents often begin with the best of intentions seeking to protect their children from hurt even so they often feel overwhelmed with the seemingly complex array of tasks and decisions that must be made after the dissolution of a marriage Dr Frank Leek is an experienced clinical and forensic psychologist Now retired who relies on his years of experience working with divorcing and divorced parents to offer parents twenty essential co-parenting tasks that encourage joint decisions conflict reduction and a focus on the well-being of children While guiding parents through a process that often tests emotion and patience Leek shares practical advice that helps parents effectively deal with the initial transition and the often complicated issues that follow The insight offered in Shared Parenting Beyond the Great Divide leads divorcing parents on a healing journey where they learn to communicate effectively share parenting responsibilities and find workable systems that encourage a peaceful future for everyone

Parenting Together Diane Ehrensaft, 1990 Diane Ehrensaft has written a rare and brilliant book which will give all of us new insights into ourselves our children and the dynamics of marriage and parenting A lucid readable and inspiring book Lillian Rubin author of Intimate Strangers

Reunification Family Therapy Jan Faust, 2017-12-20 A unique evidence-based treatment manual for repairing parent-child relationships Childhood problems are often related to and worsened by the disintegration of the family structure whether through parental separation and divorce

military service or incarceration Reunification therapy is a therapeutic process incorporating different empirically based methods CBT humanistic and systemic to help repair relationships between parents and children and restore not only physical contact but also meaningful social emotional and interpersonal exchanges between parents and children This unique manual bringing together the vast experience of the author outlines the many situations numerous families currently face and why the need for reunification therapy exists The therapist works firstly with the individual family members and then with all the family in conjoint sessions The manual expertly guides clinicians through pretreatment decisions and processes to enable them to decide where when and in what form reunification therapy is appropriate taking into account ethical legal and special family issues Detailed chapters outline the structure and issues for the individual and conjoint sessions as well as a step by step treatment plan template Additional tools in the Appendix enable clinicians to monitor and effectuate change

Reshaping Fatherhood Anna Dienhart,1998-05-27 Current research on fatherhood often focuses on minimal changes men have made in their participation in family life Anna Dienhart argues that men have indeed made significant changes to their family roles but those changes are often masked in existing discourses on fatherhood In *Reshaping Fatherhood* Dienhart s qualitative study of 18 shared parenting couples explores both men s and women s resourcefulness and shows how these couples have deliberately co created alternatives to traditional parenting roles Using these narrative accounts Dienhart offers several options for creating a family structure that allows both mothers and fathers to participate actively in parenting Dienhart emphasizes that tag team parenting a common technique that couples use to juggle the responsibilities of a hectic family life relies on both the interchangeability of parental tasks as well as the specialization by preference Dienhart compares shared parenting to a dance that demands continuous revision of the perceptions and activities of fatherhood and motherhood She challenges family researchers to move beyond deficit and comparative model perspectives about the complexities of gendered family life as she offers alternative ideas about division of labor patterns men s relational capabilities in child care the preeminence of men s provider role and traditional notions about gender and politics in families This timely book is ideal for professionals and students in family studies sociology of the family family psychology and gender studies
