Herberich,2015-09-28 The only regular U S Cavalry regiment from the Western Theater to fight in the Civil War **Those Gallant Men of the Twenty-Eighth Alabama Confederate Infantry Regiment** James Harmon Walker,Robert Curren,1997-01-01 The authors provide a thorough listing of 1 648 men who belonged to the 28th Alabama Confederate Infantry Regiment during the Civil War and vividly describe the gallant men s lives before during and after the conflict The regiment was composed of ten companies of men recruited from eight central Alabama counties Blount Dallas Jefferson Marshall Perry Shelby Talladega and Walker Some of the men were from plantations in the wealthy black belt region of Alabama while others were from poor one mule farms from the hill country of the state This work includes the diary of Captain Isaac McAdory who recorded the day by day activities of the regiment and its participation in seven major battles and numerous skirmishes from the time of its organization in 1862 until its surrender in 1865 One of the strangest occurrences in modern military history was to fall upon the regiment when General Braxton Bragg had two of its members

assassinated by firing squad for going AWOL. By the time the Civil War ended 529 men from this regiment had been hospitalized 395 had become prisoners of war and 403 had lost their lives in battle. The first third of the book gives the background and organizational history of the regiment and a photograph of its battle flag of silk designed by the renowned artist Nicola Marshall who also designed the original Confederate battle flag. The bulk of the book is an appendix which summarizes the men's service records and hospital and death records and presents a glossary of medical terms, biographical sketches and census records of many of their families. An everyname index completes the work. As a historian and genealogist James Walker has presented a work from which researchers, historians and Civil War buffs will greatly benefit while getting to know the remarkable men, those gallant men of the 28th Alabama Confederate Infantry Regiment. **A bird of passage** B. M. Croker, 2023-07-10. In *A Bird of Passage* B. M. Croker embarks on a profound exploration of social dynamics and personal identity set against the backdrop of the late 19th century British Empire. Utilizing a rich, evocative narrative style, Croker intricately weaves the experiences of her characters as they navigate love and ambition, often questioning societal norms. The novel's dialogue stands out for its authenticity, capturing the nuances of class and gender, a reflection of the significant cultural shifts occurring during the period. Croker's deft handling of themes such as displacement and belonging resonates deeply, allowing readers to reflect on the transient nature of life and relationships. B. M. Croker was a pioneering female author in a male-dominated literary landscape, often drawing upon her own experiences in colonial India to inform her writing. Croker's eloquence and ability to portray the complexities of both British and Indian society stem from her vast travels and observations during her time. Her narrative is not only a personal reflection but also a critical commentary on the imperial context in which she lived, enabling her to resonate with a diverse readership. This novel is a compelling choice for readers interested in historical fiction that transcends mere storytelling to engage with pressing social issues. Croker's brilliantly crafted characters and thought-provoking themes invite readers to reflect on their own notions of home and identity, ensuring that *A Bird of Passage* remains relevant in today's discourse. **The Magazine of American History**, 1879. **Held in Bondage** Ouida, 1864. **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces**, 1869.
