The Papal System William Cathcart, 1872 *A Splurch in the Kisser* Sam Wasson, 2011-07-21 With one of the longest and most controversial careers in Hollywood history Blake Edwards is a phoenix of movie directors full of hubris ambition and raving comic chutzpah His rambunctious filmography remains an artistic force on par with Hollywood s greatest comic directors Lubitsch Sturges Wilder Like Wilder Edwards s propensity for hilarity is double helixed with pain and in films like Breakfast at Tiffany s Days of Wine and Roses and even The Pink Panther we can

hear him off screen laughing in the dark And yet despite those enormous successes he was at one time considered a Hollywood villain After his marriage to Julie Andrews Edwards s Darling Lili nearly sunk the both of them and brought Paramount Studios to its knees Almost overnight Blake became an industry pariah which ironically fortified his sense of satire as he simultaneously fought the Hollywood tide and rode it Employing keen visual analysis meticulous research and troves of interviews and production files Sam Wasson delivers the first complete account of one of the maddest figures Hollywood has ever known The Hillman E. Phillips Oppenheim,2021-04-25 E Phillips Oppenheim s The Hillman intricately weaves a tapestry of intrigue and suspense set against the backdrop of early 20th century Europe The narrative centers on a charismatic yet enigmatic protagonist whose life intertwines with themes of power ambition and the moral ambiguities of choices made in a tumultuous world Oppenheim s literary style is marked by a deft use of dialogue and rich descriptive passages creating a vivid and immersive reading experience that reflects the period s fascination with espionage and the undercurrents of societal change Oppenheim known as the prince of storytellers was a prolific author who penned over 100 novels drawing upon his experiences in journalism and his keen observations of human nature Growing up during a transformative era Oppenheim was deeply influenced by the political and social upheavals of his time which fueled his narrative drive and allowed him to masterfully explore themes of morality loyalty and betrayal His works often mirror the complexities of contemporary society making The Hillman as much a reflection of his life as it is of the world around him Recommended for enthusiasts of classic thrillers and anyone intrigued by the intricacies of human relationships The Hillman invites readers to delve into a world where every decision carries weight and suspense lurks at every turn Oppenheim s ability to create layered characters and a gripping plot ensures that this novel stands the test of time making it a compelling addition to the canon of early 20th century literature **Anæsthetics : Their Uses and Administration** Dudley Wilmot Buxton,1900 **Anæsthetics** Dudley Wilmot Buxton,1915 The Commoner diseases of the eye, how to detect and how to treat them Casey Albert Wood,1904 **Anaesthetics, their uses and administration** Dudley Wilmot Buxton,1920
