Operation Pike:

Operation Pike Patrick Osborn,2000-03-30 This groundbreaking study reveals the extent of British military planning against the Soviet Union during the first two years of the Second World War These plans formulated on the widespread belief that Soviet Russia was an active and willing partner in Adolf Hitler s war of conquest were designed to bring the Soviets to their knees and deprive Nazi Germany of vital raw materials especially oil Churchill himself was one of the leading proponents of action that would have led to an Anglo Soviet conflict even as the war with Germany raged on Utilizing many never before published documents Osborn challenges conventional wisdom that Allied hopes were pinned on a Soviet entry into the war against Germany and proposes instead that had the Nazis not successfully invaded France in May 1940 the Allies might well have launched their own offensive against the Soviet Union Anti Soviet rumblings began shortly after the Red Army seized eastern Poland in September 1939 and became more strident after Joseph Stalin invaded Finland later that year Truly serious planning did not take place however until after Stalin s disastrous war with Finland ended in March 1940 Immediately following the abrupt end of that conflict the Red Army sent substantial reinforcements to the Black Sea region the area most threatened by Allied attack In March April 1940 the British undertook secret reconnaissance flights to obtain photographs of important targets inside the Soviet Union The swift collapse of France in May 1940 insured that British bombers were not launched against these targets but suspicion lingered between Britain and the USSR throughout the war contributing to Stalin s refusal to believe Winston Churchill s warnings that Hitler was preparing to invade the USSR in 1941

Operation Pike Patrick R. Osborn, **Lions of Medina** Doyle D. Glass,2008-07-01 A stirring tribute to the valor of Marines in Vietnam Nathaniel Fick New York Times bestselling author of One Bullet Away Thursday October 12 1967 Marine Lance Corporal Kevin Cahill stepped onto a trail deep in the remote Hai Lang National Forest in South Vietnam Following Cahill were the Marines of Charlie Company First Battalion First Marines First Marine Division They would find hell on earth under the jungle canopy Ambushed surrounded outnumbered out gunned and quickly running low on ammunition the marines of Operation Medina fought toe to toe with a ferocious determined opponent Based on extensive interviews with survivors of Operation Medina as well as with the friends and families of the men who didn t make it back Lions of Medina takes readers through the tragedy and triumphs of war This tribute to a close knit group of warriors who fought bled and died together features black and white photographs bringing to life the spirit of loyalty and camaraderie that binds them to this day Digest of Major Court Decisions on Motor Carrier Operation John M. Meighan,1928 *The Devils' Alliance* Roger Moorhouse,2014-10-14 History remembers the Soviets and the Nazis as bitter enemies and ideological rivals the two mammoth and opposing totalitarian regimes of World War II whose conflict would be the defining and deciding clash of the war Yet for nearly a third of the conflict s entire timespan Hitler and Stalin stood side by side as partners The Pact that they agreed had a profound and bloody impact on Europe and is fundamental to understanding the development and denouement

of the war In *The Devils Alliance* acclaimed historian Roger Moorhouse explores the causes and implications of the Nazi Soviet Pact an unholy covenant whose creation and dissolution were crucial turning points in World War II Forged by the German foreign minister Joachim von Ribbentrop and his Soviet counterpart Vyacheslav Molotov the nonaggression treaty briefly united the two powers in a brutally efficient collaboration Together the Germans and Soviets quickly conquered and divided central and eastern Europe Poland the Baltic States Finland and Bessarabia and the human cost was staggering during the two years of the pact hundreds of thousands of people in central and eastern Europe caught between Hitler and Stalin were expropriated deported or killed Fortunately for the Allies the partnership ultimately soured resulting in the surprise June 1941 German invasion of the Soviet Union Ironically however the powers exchange of materiel blueprints and technological expertise during the period of the Pact made possible a far more bloody and protracted war than would have otherwise been conceivable Combining comprehensive research with a gripping narrative *The Devils Alliance* is the authoritative history of the Nazi Soviet Pact and a portrait of the people whose lives were irrevocably altered by Hitler and Stalin s nefarious collaboration
