

The Tea-Opium Connection

- Foreigners were only allowed to trade at the southern port of Guangzhou.
- Trade balance was in China's favor.
- European merchants decide to sell the habit-forming drug opium (a narcotic derived from the opium poppy plant) in China to obtain a favorable trade balance.
- By 1835, as many as 12million Chinese were addicted

Opium Connection:

Opium's Long Shadow Steffen Rimner, 2018-11-12 The League of Nations Advisory Committee on the Traffic in Opium and Other Dangerous Drugs created in 1920 culminated almost eight decades of political turmoil over opium trafficking which was by far the largest state backed drug trade in the age of empire Opponents of opium had long struggled to rein in the profitable drug Opium's Long Shadow shows how diverse local protests crossed imperial national and colonial boundaries to gain traction globally and harness public opinion as a moral deterrent in international politics after World War I Steffen Rimner traces the far flung itineraries and trenchant arguments of reformers significantly feminists and journalists who viewed opium addiction as a root cause of poverty famine white slavery and moral degradation These activists targeted the international reputation of drug trading governments first and foremost Great Britain British India and Japan becoming pioneers of the global political tactic we today call naming and shaming But rather than taking sole responsibility for their own behavior states in turn appropriated anti drug criticism to shame fellow sovereigns around the globe Consequently participation in drug control became a prerequisite for membership in the twentieth century international community Rimner relates how an aggressive embrace of anti drug politics earned China and other Asian states new influence on the world stage The link between drug control and international legitimacy has endured Amid fierce contemporary debate over the wisdom of narcotics policies the 100 year old moral consensus Rimner describes remains a backbone of the international order

The North American Medical and Surgical Journal, 1829 **Feet on the Mountain** Richard S. Mann, 2023-04-24 In this expansive memoir looking back over his fifty five years of living and working with the hill tribe people of northern Thailand Richard Mann gives an in depth account for one of the world's most successful attempts to curb narcotics As a Christian missionary and both a project manager and advisor with the United Nations Mann helped find suitable crops and markets for those crops that could provide a livelihood in place of opium poppy Feet on the Mountain details life for the hill tribes before modern roads technology and infrastructure brought change Mann shares humorous experiences during his time in Thailand including living in the Pink House where the Ghost lives Feet on the Mountain is an entertaining and enlightening read reminding readers that the first step for tackling problems is growing hope

The Journal of Race Development, 1917 *Demons* Virginia Berridge, 2013-11-28 Tabloid headlines attack the binge drinking of young women Debates about the classification of cannabis continue while major public health campaigns seek to reduce and ultimately eliminate smoking through health warnings and legislation But the history of public health is not a simple one of changing attitudes resulting from increased medical knowledge though that has played a key role for instance since the identification of the link between smoking and lung cancer As Virginia Berridge shows in this fascinating exploration attitudes to public health and efforts to change it have historically been driven by social cultural political and economic and industrial factors as well as advances in science They have resulted in different responses to drugs alcohol and tobacco at

different times in different parts of the world Opium dens in London temperance and prohibition movements the appearance of new recreational drugs in the 20th century the changing attitudes to smoking by taking us through such examples moulded by socio economic and political forces including the growing power of pharmaceutical companies Berridge illuminates current debates While our medical knowledge has advanced other factors help shape our responses as they have done in the past *China and the Birth of Globalization in the 16th Century* Dennis O. Flynn, Arturo Giráldez, 2024-10-28 Including 11 essays published over the last 15 years this volume by Dennis O Flynn and Arturo Gir ldez concerns the origins and early development of globalization It opens with their 1995 Silver Spoon essay and a theoretical essay published in 2002 Subsequent sections deal with Pacific Ocean exchanges interconnections between the Spanish Ottoman Japanese and Chinese empires and the necessity of multidisciplinary approaches to global history The volume follows the evolution of the authors thinking concerning the central role of China in the global silver trade as well as interrelations among silver and non silver markets Research before 2002 paved the way for development of a coherent Birth of Globalization narrative that portrays economic factors in the context of powerful epidemiological ecological demographic and cultural forces In the final essay Flynn and Gir ldez argue for incorporating the work of all academic disciplines when attempting to understand the history of globalization advocating an inclusive historical data base which recognizes contextual realities and an inductive process of reasoning *Manuals of Emergency Legislation.
