Sailing To Win:

Sailing To Win Brett Bowden, 2018-11-01 Sailing strategies from beginner to winner International author competitive sailor and successful business strategist Brett Bowden shares over 3 decades of wisdom of what it takes to be successful Brett shares not only his own experiences but a collection of wisdom from world champions and sailing legends Together with his passion for sailing and winning in all areas of life Brett shows you just how to do it step by step By the time you have finished this book learned the strategies and practiced the drills you will be guaranteed of being on the podium more often than not and collect more than your fair share of silverware If you're serious about being successful then you must read this book You'll learn The little known secrets behind the science of sailing The psychology and mindset of winning races Key ways to banish frustration from your sailing Critical ways to start conduct and finish a race like a champion How to get inside tactical knowledge at new venues Essential training drills to hone your skills to ensure your success Championship race tactics and strategies that only top skippers know If you're serious about winning then read this book today [Helming to Win](#) Nick Craig, 2025-03-04 Nick Craig's ground breaking Helming to Win was published 10 years ago to great reviews Many sailing books can be recycles of familiar themes and ideas Not this one This is a highly personal and radical fresh view of the subject area In the following decade since it was published Nick has won 10 World 3 European and 20 National Championships That's winning more championships than most of us have attended over this period As an amateur sailor with a senior full time job Nick knows how to make the most of his time on the water Every race is recorded in his notes every race builds on his knowledge This new edition of Helming to Win utilises what he has learnt from those 33 championship wins and many other less successful events with new learning new anecdotes new photos and additional captions on the photo sequences to ensure the key learnings are easy to take on This updated breakthrough book will help you make the transition from weekend racer to national champion just as Nick has done Covering everything from where to look and getting in the groove to mental approaches and championship sailing you will be working your way up the leaderboard in no time Packed full of intelligent insight brilliant top tips and engaging photo sequences if your goal is to win then this is the book for you **Sailing to Win** Robert Newton Bavier, 1983 [Sailing to win. Completely revised ed](#) Robert Newton BAVIER, 1966 **Tuning to Win** Ian Pinnell, Tim Davison, 2016-09-13 For most sailors boat tuning may seem a mystery understood only by sailmakers and the like In this book sailor chandler and championship winner Ian Pinnell unravels this daunting subject and will help improve your boatspeed as a result Since most races are won or lost by a difference of less than 2% of racing time you will soon be moving up the fleet With hundreds of photos and diagrams to illustrate every point the book clearly explains what each control does and how to set it up optimally for different conditions Additional troubleshooting and skills sections take things even further making this the bible of dinghy tuning **Tactics to Win** Nick Craig, 2018-03-06 Unless you have unbeatable boatspeed tactics are vital to winning sailboat races Multi champion Nick

Craig shows you how to develop a strategy and what tactics to adopt on every leg and at every mark of the course His first book *Helming to Win* was described as original thought provoking like no other that has gone before it He now turns his highly analytical mind to the subject of tactics He discusses the inputs into strategy starting and the race plan going through each leg in turn Nick then tackles mark tactics covering every different type of mark and fleet tactics on every leg of the course He finally focusses on boat to boat tactics again on every leg of the course In each situation he covers attacking and defensive tactics either to get ahead or make sure you stay ahead Non spinnaker symmetrical spinnaker and asymmetric dinghies are all covered because Nick has won world or national championships in each of these types of boats Having read Nick s first book many said that it had transformed the way they sailed This book will have the same effect on your tactics and should see you moving up the leaderboard
