## **Safe Return:**

*Safe Return* Michael Uhl, 2023-06-02 In 1971 antiwar activists Michael Uhl and Tod Ensign founded the Safe Return Committee in New York City seeking amnesty for those who resisted the Vietnam War. While thousands of young Americans chose exile in Canada and Europe to avoid the draft, Safe Return worked on behalf of those who had come to oppose the war after entering the armed forces. Once in uniform, many ran afoul of a draconian system of military justice and institutionalized racism. They deserted in epidemic numbers, some to foreign exile. This book tells the story of the Committee's sponsored return of deserters and draft evaders in a series of actions widely publicized to build public support for their acts of resistance. *Connections*, 2001

**100 Questions & Answers about Alzheimer's Disease** Marcin Sadowski, Thomas M. Wisniewski, 2004 The only text to provide a doctor's and patient's view, 100 Questions & Answers About Alzheimer's Disease gives you authoritative practical answers to your questions about treatment options, quality of life, caregiving, and much more.

**Big Data Applications and Services 2017** Wookey Lee, Carson K. Leung, 2018-08-16 This proceedings volume contains selected papers from the Fourth International Conference on Big Data Applications and Services (BigDAS 2017) held in Tashkent, Uzbekistan, on August 15-18, 2017. Big data has become a core technology providing innovative solutions in many fields, including social media, healthcare, and manufacturing. The Fourth International Conference on Big Data Applications and Services (BigDAS 2017) presented innovative results, encouraged academic and industrial interaction, and promoted collaborative research in the field of big data worldwide. The conference was organized by the Korea Big Data Services Society and National University of Uzbekistan.

**UN Convention against Transnational Organized Crime** Andreas Schloenhardt, Francesco Calderoni, Joseph Lelliott, Bettina Weißer, 2023-06-14 This book offers a comprehensive article by article legal commentary on the United Nations Convention Against Transnational Organized Crime and its Protocols on trafficking in persons, smuggling of migrants, and trafficking in firearms and ammunition. The Convention, often referred to by the acronym UNTOC, was approved by the UN General Assembly on 15 November 2000 and made available for governments to sign at a high-level conference in Palermo, the heartland of the Italian Mafia, on 12-15 December 2000. For this reason, UNTOC is sometimes also referred to as the Palermo Convention. The Convention entered into force on 29 September 2003. The purpose of UNTOC is to promote cooperation to prevent and combat transnational organized crime more effectively. UNTOC seeks to promote consistency among national legal systems and set standards for domestic laws so that States parties can effectively combat transnational organized crime. UNTOC is supplemented by three protocols: the Protocol against the Smuggling of Migrants by Land, Air, and Sea; the Protocol to Prevent, Suppress, and Punish Trafficking in Persons, especially Women and Children; and the Protocol against the Illicit Manufacturing of and Trafficking in Firearms, their Parts, and Components and Ammunition. Article by article, this book presents the text of each provision of the Convention and the Protocols, followed by a systematic analysis of their background and negotiating history, their interpretation by the

Conference of the Parties and its working groups in judicial decisions by domestic and international courts in the academic literature and in official material published by international organisations chief among them the United Nations Office on Drugs and Crime UNODC the guardian of UNTOC and the Protocols The authors offer critical scholarly commentary The book serves as a compendium for those using researching or studying provisions under UNTOC and the Protocols and as a handbook for those charged with implementing and enforcing them
