Tobias Bleicker

Old Glass Paperweights:

PAPERWEIGHTS 101 Doris B. Robinson, 2014-03-04 The purpose of this book is to introduce paperweight collecting to those people who may be interested in these fascinating and mysterious small glass objects but are not quite ready to start a collection without some basic knowledge Back in 1969 when my husband and I first became interested in paperweights information was at a premium The limited number of books about paperweights were often hard to come by Occasionally articles were published in magazines and once in a while an article appeared in a newspaper You were lucky if you heard about the article and luckier still to find a copy Some wonderful books were published as far back as 1940 when paperweight collector Evangeline Bergstrom s book *Old Glass Paperweights* first appeared In fact many old books paperweight journals newspaper and magazine articles have become valuable in their own right now sought after as collectors items The positive side about this paucity of literature was that you read everything you could get your hands on good poor or terrific Today even the very best of these publications many still considered top notch contain at least some information that could be updated and corrected as a result of recent findings Still many of these books and articles remain as valuable resources Since the Paperweight Renaissance in the mid twentieth century the number of available books about paperweights has increased explosively To consider acquiring and or reading all of them creates a heavy burden on reader purse and bookshelf Some are wonderful containing well documented information some are even extraordinary the result of careful research and a few are mediocre and will probably end up on the back shelf the pages barely worn Before a potential paperweight aficionado becomes confused or overwhelmed by the vast number of books it seemed there was an opportunity to provide a general view of the topic that could be easily read and referred to at just the right time It was to meet this perceived need that *Glass Paperweights 101* was written As the title suggests this book about glass paperweights is intended as an introduction to and overview of the subject Should this book inspire readers to delve into these more scholarly works I will personally consider this introductory volume to have been a great success After digesting the contents of this purposely limited volume I hope readers who are new to this area of collecting or perhaps just thinking about it will be inspired to become impassioned paperweight collectors who will develop a discriminating eye Great adventures are in store for the new paperweight collector This was one of the earliest books published a about paperweights Although the Bergstrom book contains many inaccuracies considering the scarcity of available information about paperweights at the time it is amazing that so much that was written is correct

Old Glass Paperweights, Their Art, Construction, and Distinguishing Features Evangeline H. Bergstrom, 1947 Describes old glass paperweights collecting them and different European varieties **Old Glass Paperweights** Bergstrom, Crown, 1988-12-01 **Glass Paperweights** Paul M. Hollister, 1975 **The Encyclopedia of Glass Paperweights** Paul M. Hollister, 1969 With 140 weights in full color and 250 in black and white *Old Glass Paperweights* Evangeline H. Bergstrom, 1940 **The Antiquarian** , 1930 *Old Glass Paperweights* Evangeline Hoystadt

Bergstrom,1958 *The Art of Vintage Journaling and Collage* Maryjo Koch,Sunny Koch,2011-09-01 DIVThe Art of Vintage Journaling and Collage is a distinctive guidebook exploring the art of collage and journaling using unique collected ephemera from antique stores flea markets secondhand shops and even your own home to unlock your creativity Capture your thoughts in handmade illustrated travel journals recipe keepsake books and nature and garden sketchbooks and create stunning collages to frame or use as note cards and gift tags to share with family and friends The Art of Vintage Journaling and Collage presents Maryjo and Sunny Koch s gorgeous work from their books Vintage Collage Works and Vintage Collage Journals There are more than 75 different collage project ideas and over 14 complete journal projects Basic techniques and project details are illustrated through step by step photos and a gallery is included at the back of the book containing ready to use vintage clip art All levels of artist or hobbyist will find this an inspirational and invaluable book div The Morton D. Barker Paperweight Collection Illinois State Museum,1985 Antiques ,1927 **Magazine Antiques** ,1923 *The English-speaking World* ,1926 **The Burlington Magazine for Connoisseurs** ,1921 **The Connoisseur** ,1912 **The Magazine Antiques** ,1930 **The Antique Dealer and Collectors' Guide** ,1953 **Vogue** ,1917 Wisconsin Newmonth ,1991 **One Hundred of the Most Important Paperweights** Paul Jokelson,1959
