**Pursuing Open Heavens** Marc Dupont, 2002 Marc Dupont points to many in the Church today who are experiencing holy prophetic frustration those who are burdened with the weight of revelation regarding God's purposes and examines the common thread running throughout their prophetic messages This is a critical book for those who want to know what God is saying to the Church today and are willing to act upon it **OPEN HEAVENS** what does it mean and can it really happen this side of heaven The term is used many different times in the Bible It denotes a time season or place in which there is a great freedom for some on earth to experience the fullness of God and His reign more clearly and powerfully It is a time when either God's favour or wrath is released on the earth a time for the release of His blessing and or judgement But it is always a time of exponential increase on the earth of God's power and purposes Marc Dupont points to many in the Church today who are experiencing holy prophetic frustration those who are burdened with the weight of revelation regarding God's purposes and examines the common thread running throughout their prophetic messages This is a critical book for those who want to know what God is saying to the Church today and are willing to act upon it **Open Heaven Open Home** Linda Gotsch, 2010-10 *Dancing With Angels 2* Kevin Basconi, 2024-02-20 Continue on your Spiritual Journey with *Dancing With Angels 2* Following the transformative experiences detailed in the first installment of this trilogy *Dancing With Angels 2* delves deeper into the realm of angelic encounters and the profound impact they can have on your life Drawing from his personal journey Basconi elaborates on the pivotal role that the Holy Spirit plays in facilitating these divine encounters emphasizing the importance of operating within sound principles and practices under the lordship of Jesus Christ Here's what makes it an essential addition to your spiritual library **Expansive Testimonies** Discover dozens of new inspiring accounts of angelic visitations further illustrating how ordinary people can experience the extraordinary through divine intervention **Practical Activation** Learn easy actionable methods to engage with the angelic realm emphasizing the importance of sound principles and practices rooted in biblical truths **Spiritual Enlightenment** Gain insights into the crucial role of the Holy Spirit in activating angelic ministry offering a deeper understanding of how to harmonize with the divine for spiritual growth **Biblical Foundations** Delve into scriptural principles related to angelic encounters including a detailed examination of Jesus Christ's relationship with angels and how it models for our own interactions **Empowerment for the End Times** Be equipped for what lies ahead with teachings on the significance of angels in God's plans for humanity encouraging believers to play an active role in God's end time movements This book is not just about understanding the angelic it's about experiencing the full spectrum of God's kingdom here on earth Whether you're looking to understand more about the biblical basis for angels wanting to read real life stories of supernatural encounters or seeking to deepen your walk with the Holy Spirit *Dancing With Angels 2* is a valuable resource that promises to enrich your spiritual journey **God's Supernatural Power in You** Frank A. DeCenso, 2009-05-28 The need for power ministry is as strong today as it was when Jesus and the apostles walked the earth

The need for demonstrations of God's powerful love exhibited through His church will demolish strongholds of unbelief and relativism as well as tear down cultural barriers that may bring confusion when only the words of the good news are shared but its power is neglected. When Jesus and the apostles proclaimed the good news of salvation to people, works of power accompanied them. Today the entire church needs mentoring in how to bring God's word to the world in power. This book is a prophetic call to engage the mission of bringing God's radical love to this hurting world through power ministry.

Recommendations by HEIDI BAKER BOB JONES MARC DUPONT BOBBY CONNER SURPRISE SITHOLE RYAN WYATT CHARLIE ROBINSON JOHN SANGER AND WON HO KIM  
This book tells honestly what kind of church Beloved church is. If you read this one book you will be able to grasp the truth about Beloved Church and will be able to evaluate the church correctly. Even if you may not be interested you must still read this book. That is because this book is a precious book that shows pastors the true way to revival and all believers the right path to Christian life.

**Experiencing God in the Supernatural** Jonathan C. Ferguson, 2010-08  
A study on the supernatural is very broad therefore it is my goal to help individuals understand the supernatural from a scriptural perspective by defining the prophetic. In doing so the reader will embrace the vast biblical extent of man's interactions with God, explore various dimensions of the Spirit realm and learn what it means to live under an open heaven. In fact this book will cover over 21 ways in which God may choose to interact or communicate with us as believers and much more. This is a book of both information and impartation. The pages of this book will literally come alive as there have already been testimonies of various God encounters from those who have previously reviewed the writings contained. You will not only read this book but you will experience what you read and the things you learn will stir up the gifts that are on the inside of you. Get ready to take the limits off of your life. Get ready to be accelerated in the prophetic because God is about to blow your natural mind with a supernatural revelation. I reiterate that this is not merely a book. This is an impartation.

**Dream Wild** Jennifer LeClaire, 2018-02-06  
WE ARE CAUGHT UP IN THE RAT RACE. We're stuck in the day in and day out mundanity of life. But God wants us to dream with Him. He gives us the desires of our hearts and He wants us to build ourselves up in our faith and pursue those dreams. The enemy comes with doubt, unbelief, religious thinking and other obstacles to combat our dreams. Ward off spiritual attack and achieve your dreams with a prayer action plan. After receiving one wild prophecy, prophetess Jennifer LeClaire was inspired to chase after the God of her dreams, the One who ultimately makes all dreams come true. Dream Wild will set a Holy Ghost fire under people to pursue God of the desires He put in their hearts. Each chapter begins with a short prophetic word and the book includes stories of inspiration, overcoming challenges, gaining victory and experiencing God's power as they relate to building one's faith to dream.
