Old Fashioned Pilgrimage:

The Book of the Pilgrimage, 1896 *A Dickens Pilgrimage*, 1914 *Historic Pilgrimages in New England* Edwin Monroe Bacon, 1898 **Their Pilgrimage** Charles Dudley Warner, 1886 **Places of Pilgrimage for American Travellers** Great Western Railway (Great Britain), 1925 **A Pilgrimage in Surrey** James S. Ogilvy, 1914 **Guests of God : Pilgrimage and Politics in the Islamic World** Robert R. Bianchi Formerly Associate Professor of Political Science University of Chicago, 2004-09-09

Each year more than two million pilgrims from over 100 countries converge on the holy city of Mecca to reenact the ritual dramas that Muslims have been performing for centuries Making the hajj is one of the most important duties in the life of a Muslim The pilgrimage and its impact on international politics is enormous and growing every year yet Westerners know virtually nothing about it What is the hajj and what does it mean Who are the hajjis What do they do and say in Mecca and how do they interpret their experiences Who runs the hajj and what are their political objectives How does the hajj encourage international cooperation among Muslims and can it also promote harmony between Islam and the West In *Guests of God* Robert R Bianchi seeks to answer these and many other questions While it is first and foremost a religious festival he shows the hajj is also very much a political event The Muslim world s leading multinational organization the Organization of the Islamic Conference has established the first international regime explicitly devoted to pilgrimage Every large Muslim nation has developed a comprehensive hajj policy and a powerful bureaucracy to enforce it Yet Bianchi argues no authority secular or religious national or international can really control the hajj Pilgrims believe that they are entitled to travel freely to Mecca as Guests of God not as guests of any nation or organization that might wish to restrict or profit from their efforts to fulfill a fundamental religious obligation Drawing on his personal experience as a pilgrim and a wealth of data gathered over the course of ten years of research Bianchi has produced a fascinating look at the hajj filled with personal candid stories from political and religious leaders and hajjis from all walks of life A wide ranging study of Islam politics and power *Guests of God* is the most complete picture of the hajj available anywhere *Explorations in a Christian Theology of Pilgrimage* Craig Bartholomew, Fred Hughes, 2021-11-18 Many Christians go on pilgrimage whether to Jerusalem Rome Santiago or some other destination but few think hard about it from the perspective of their faith This book fills that gap looking at the biblical and theological elements in pilgrimage and asking how we could do pilgrimage differently Exploring the current resurgence of pilgrimage from a Christian viewpoint this book seeks to articulate a theology of pilgrimage for today Examination of pilgrimage in the Old and New Testaments provides a grounding for thinking through pilgrimage theologically Literary missiological and sociological perspectives are explored and the book concludes by examining how such a theology could change our practice of pilgrimage today raising such questions as how tourism to the Holy Land should reflect the situation in the region today Pilgrims students and all interested in contemporary pilgrimage will find this accessible book a valuable articulation of the different elements in a Christian theology of pilgrimage **The**
