Public Lives:

Religion and Public Life Tom Butler,2011-12-01 For more than twenty years Bishop Tom Butler has related religious belief to the events of public life both national and global in regular contributions to BBC Radio 4 s Thought for the Day Each Thought is prompted by current events without knowing how the news will develop thereby illustrating how religion relates to contemporary life and how the insights it offers may develop over time Here Tom Butler explores themes ranging from The Gulf Wars and Terrorism via Science Medical Ethics and Political Life to Religion itself Drawing on and incorporating a selection of Thought for the Day scripts covering a twenty year period he charts the developing relationship between religion and public life and explores the Church s role of bringing religious values and insights to bear on topical issues and restating the public s hopes and fears in religious language

Hidden Lives, Public Personae Emily Hemelrijk,2015-10-01 By its in depth discussion of women s civic roles in the towns outside Rome this study offers a compelling new vision of Roman women s integration into their communities and contributes to a more comprehensive view of civic life under the Roman Empire

Religion in Public and Private Life (Routledge Revivals) Clarke E. Cochran,2014-06-27 Religious crosses the spheres of both the private life and the public institution In a liberal democracy public and private interests and goals prove to be inseparable Clarke Cochran s interdisciplinary study brings political theory and the sociology of religion together in a fresh interpretation of liberal culture First published in 1990 this analysis begins with a reassessment of the nature of the public and the private in relation to the political The controversy over religion and politics is examined in light of such contested issues of political life as sexuality abortion and the changing nature of the family Clarifying a number of debates central to contemporary society this timely reissue will be of particular value to students with an interest in the relationship between religious society and politics

Women in British Public Life, 1914 - 50 Helen Jones,2014-09-11 An examination of the ways in which women challenged the British educational employment and welfare systems after the franchise Helen Jones explores how women adapted their strategies to confront the system from within and what constraints were imposed on them She also examines the active role that British women played in Continental Europe and an important comparative chapter looks at the experience of women in France Germany Italy Australia and the USA

Faith, Leadership and Public Life Preston Manning,2017-10-15 The connection between faith leadership and public life is a complex one as Preston Manning knows all too well from his years as a scout and trailblazer on Canada s political frontiers Now in his new book Faith Leadership and Public Life Leadership Lessons from Moses to Jesus he fearlessly tackles this subject by drawing upon his own years in Canada s parliament and political arena and upon relevant lessons to be learned from the public lives of the founding giants of Judaism and the Christian faith Starting with the public life of Jesus himself he also draws upon the experience of those leaders whom Jesus most frequently referenced such as Moses and David as well as examining the lives of leaders such as Joseph and Daniel who were called upon to exercise their faith in societies and political systems hostile to

their beliefs He challenges people of faith today to learn from their examples about how to conduct ourselves responsibly at the faith political interface while bringing what Jesus called salt and light to bear on the political issues and structures of our times If you are a person of faith currently active in politics or leadership or contemplating involvement in either the following pages will help you in meeting those challenges [Morality and Ethics in Public Life](#) Ravindra Kumar,1999-01-01
