Punctured Preconceptions:

Why Conservative Churches are Growing Dean M. Kelley, 1986 **The Restructuring of American Religion** Robert Wuthnow, 2021-02-09 The description for this book The Restructuring of American Religion Society and Faith since World War II will be forthcoming **Church Growth Bulletin Vol 2** McGavran Dona, 1977-05 Research Papers: History, trends, and current magnitudes, 1977 Living by Grace William Hordern, 2002-10-03 How can Protestant churches overcome their denial in actual attitudes and actions of their central belief in justification The chief paradox of Protestantism manifest in all denominations is the blurring and contradicting of the central belief in justification by grace alone through faith alone The church in America says the author has always been prone to preach that being a good Christian will result in health wealth and happiness Many church practices support a reward and punishment ethic thereby denying the heart of justification God's forgiveness No wonder the laity does not understand the doctrine or its call to a new life In this criticism of common church attitudes and actions Dr Hordern contrasts the interpretation of justification found in the teachings of Scripture and the great Reformers with the practical pursuit of works righteousness In conclusion he shows how the church could act to enhance rather than deny the doctrine of justification in particular in coping with the important matters of evangelism attendance giving to the church accepting people into the church and social service Evangelism Harvie M. Conn, 1982 A Part of My Heart Left Here Donald A. Green, 1986-12 *Building Effective Ministry* Carl S. Dudley, 1983

Public Theology and Political Economy Max L. Stackhouse, 1987 This well known Christian ethicist ably bridges the gap between theology and political economy proposing a theologically informed view of modern economic life He traces the emergence of modern Protestant and Catholic views of the economic order from anti slavery movements to contemporary Ecumenical themes He delineates the failures of socialist liberationist and laissez faire systems and retrieves the neglected contributions of such figures as Shailer Mathews and Walter Rauschenbusch while showing the continued relevance of Max Weber's view of economy and society for Christian ethics He concludes that Christian stewardship must cultivate and articulate a new public theology that will shape the structures and policies of public life Originally published in 1987 by Wm B Eerdmans Publishing Co Religion in American Society John Wilson, 1978 **Religious Humanism**, 1975 **The Stewardship of Life in the Kingdom of Death** Douglas John Hall, 1988 This study forcefully sets forth the church's crucial mission of stewardship in our world today Hall outlines a biblical view of what it means to be partners in God's covenant of life in the context of a darkening kingdom of death American Book Publishing Record, 1977-03-31 Here's quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets *Index to Religious Periodical Literature* American Theological Library Association, 1973 Vols for 1975 76 Jan June 1977 also include abstracts **Library**
