Prince,1980      **The Spirit over the Earth** Gene L. Green,Stephen T. Pardue,K. K. Yeo,2016-12-31 Though the global center of Christianity has been shifting south and east over the past few decades very few theological resources have dealt with the seismic changes afoot The Majority World Theology series seeks to remedy that lack by gathering well regarded Christian thinkers from around the world to discuss the significance of Christian teaching in their respective contexts The contributors to this volume reflect deeply on the role of the Holy Spirit in both the church and the world in dialogue with their respective contexts and cultures Taking African Asian and Latin American cultural contexts into account gives rise to fresh questions and insights regarding the Spirit s work as witnessed in the world and demonstrates how the theological heritage of the West is not adequate alone to address the theological necessities of communities worldwide      **The Routledge Handbook of Pentecostal Theology** Wolfgang Vondey,2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject Comprising over forty chapters written by a team of international contributors the Handbook is divided into five parts Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and Challenges These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism divine healing or eschatology unique practices such as spiritual warfare and worship and less discussed issues such as social justice and gender each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement The Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies World Christianity and Theology as well as scholars working in contemporary Religious Studies      **New-Church Messenger** ,1930      **The Watchman-examiner** ,1930

**The Good News of Our Limits** Sean McGeever,2022-02-08 Become More Effective by Embracing Your Inability Many of us are tired stressed and overworked We think that following God will bring peace but instead find ourselves anxious We expect a life of joy but end up feeling stressed living under the heavy load of new expectations It s a spiritual and emotional rollercoaster We search for solutions using optimization techniques attempting to fit more and more into our already full days We try to craft efficiently maximized lives but these methods always fail not because they are ill intentioned but because they

do not go far enough They fail to understand how God made us as people with inherent limitations and they fail to accept that as good In The Good News of Our Limits professor and longtime ministry leader Sean McGeever reveals the wonderful news that we cannot do be or know all of the things that others expect of us and that we often expect from ourselves Nor should we As it turns out these expectations are not God s expectations The freeing truth is that God created us with limitations and he did it for a reason God is the only all powerful all present and all knowing person and we are not We can only know and do some things and we can only be in one place at a time And that is enough Accepting this truth frees us to find greater peace and joy and somewhat surprisingly greater effectiveness in life The Good News of Our Limits helps readers answer questions like What are our God given human limits How do I find peace when I can t control the circumstances tragedies and difficulties that surround my life How do I choose what is best when my time focus and abilities are limited How many people can I realistically know personally What can I do to deepen key relationships when I feel relationally maxed out How do I navigate all the information that comes my way each day Through personal stories and fascinating cultural insights The Good News of Our Limits calls readers to embrace the blessedness of their limitations and adopt a few key practices to better balance their lives Biblical and practical it points to a better way forward for us all
